U.S. Rules Against Reducing Salk Dosages

Molotov Coming To U.S. For High-Level Talks

Leader Maps Aid Program For Children

HARRISBURG, May 20 (AP)—Gov. Leader today put an eight million dollar price tag on a proposed program for mandatory statewide rehabilitation training of mentally and physically handicapped school children.

In disclosing a three-point plan for operation of the training program, Leader told the 32nd annual convention of the Pennsylvania Society for Crippled Children and Adults:

"We intend to go far in reducing the depressive population in our schools that can be helped and are not helped."

More Done, Better

The governor referred to mentally and physically handicapped children in Pennsylvania who he said have been cared for in the past under a program that will be changed under his administration to have "more done and in a better way."

He expressed doubt that any critics of his record high $1,843,000,000 budget for 1955-57 would object to the eight million dollar out-lay for his training program.

Leader's three-point plan:

Provisions that county school boards will operate the system of caring for handicapped youngsters.

Make it mandatory for school districts to set up and operate the programs.

Mandatory Program

In the event school boards do not set up special classes, the public instructions department will set up and operate them and charge the school districts.

Leader now has the legislation prepared for introduction next week in the General Assembly.

At the same time the governor set June 20 for opening of a classification center at Laurelton State Village where mentally retarded children can be diagnosed and the best care for their needs can be determined.

Living Cost Index Dips During Month

WASHINGTON, May 20 (AP)—The government reported today that consumer prices for both automobiles and rents declined in April because of record production in the auto and housing industries.

The price declines were modest but possibly significant in view of tremendous output in both industries. They were chiefly responsible for an over-all slight reduction in the nation's living cost level for April.

The Labor Department's Bureau of Labor Statistics said that between mid-March and mid-April its consumers price index declined a tenth of 1 per cent to 114.2 per cent of the 1947-49 average. This is three-tenths of 1 per cent lower than April last year. It is the lowest living cost level since May 1953 when the index was 114.0

Food prices rose nearly ½ per cent in April. This was largely due to a late March freeze in Southern states. It helped send potato prices up by an average of 20 per cent, 60 per cent over last year. Prices for most fruits and vegetables increased for the same reason. Meats were about the same, but poultry and dairy prices declined.

All things considered, living costs stayed pretty stable in April.

Southern Bell Strike Settled

ATLANTA, May 20 (AP)—The long, costly and strife - ridden strike against Southern Bell Telephone and Telegraph Co. was settled tonight.

Weary negotiators reached agreement at 9:45 p.m. (EST) on terms of a new contract covering approximately 50,000 workers in nine Southeastern states.

The end came 68 days after members of the CIO Communications Workers of America walked out of the company's 1,043 exchanges in a contract dispute.

The strike was the longest ever called against any of the 22 operating units of the Bell system. The previous record was the 60-day strike against the Indiana Bell Co. in 1953.

Medical Society Picks Secor For Rush Award

MONROE COUNTY Medical Society has selected Carl T. Secor, supervising principal of East Stroudsburg Public Schools, for the Dr. Benjamin Rush Award, making him an automatic nominee for the same award on a state level.

Community Therapist

The Dr. Benjamin Rush Award is given annually to a lay individual who "has made the greatest contribution to public health." The Medical Society's nomination sets forth:

Mr. Secor's contributions to public health have been such over the years that he might well be known as a "Community Therapist."

From the day he entered the East Stroudsburg School system as high school principal, his public health service has had demonstrable effects on the physical plant of the school and on its student body and teachers.

Working in close cooperation with the late Dr. Walter L. Angle, school physician, the school nurses, physical education directors, Mr. Secor not only created a new sense of appreciation for sound health practices, but initiated physical changes in behalf of better public health.

Health In Education

One of the most important of these was worked out with the late Dr. Angle in connection with change of color schemes in school rooms. A "pilot" room was selected. Color was changed from dark, varnished wood, to pastel greens and other brighter, pleasant, soothing surroundings. Excellent results were immediate and Mr. Secor pressed for complete revision of the dark, depressing school room atmosphere. A healthy student body was made more healthy in their mental outlook and approach to education.

The "Secor therapy" extended to public recreation and health programs when he became a member of the Board of Recreation of the Borough of East Stroudsburg in 1942, its president in 1943 to 1945, and secretary from 1946 to the current year.

His expert guidance and advice has been used over and over again to develop first, a sound, capable staff; a well rounded program which deals with physical and recreational efforts and places particular emphasis on arts, crafts, and games stimulating to the mental health of youth of that community.

Headed Tuberculosis Society

In another field, more direct in its impact on public health, Mr. Secor's adeptness in promotion of improved health conditions on a county level has made the Monroe County Tuberculosis Society a "key" organization in behalf of a public health council.

As a member of the Tuberculosis and Health Society since 1938, president 1950 to 1954, chairman of the society's Public Health Committee, Mr. Secor has been a key part of a plan to extend compulsory X-ray examinations of food handlers to all townships of Monroe County.

His leadership of the society produced a working agreement with Monroe County General Hospital for X-raying all hospital admissions and the purchase of an X-ray machine by the society for that purpose. This has been followed by X-ray of all pre-natal cases.

Mr. Secor, as chairman of the Public Health Committee of Tuberculosis and Health Society, brought together every group or agency concerned with public health for the creating of a Public Health Council of Monroe County.

Directed ARC Campaigns

His program for this group begins with an exhaustive, accurate study of the work of each organization, then proceeds to a similarly exhaustive and accurate county-wide survey of the entire public health field for findings on which to base a program of public health improvement.

Mr. Secor, in addition to these major contributions to public health, has found time to direct with consistent success the American Red Cross campaign in East Stroudsburg 1951-55.

Russia Rejects Western Plea To Get Eastern Germany To Slash Stiff Highway Taxes

BERLIN, May 20 (AP)—Soviet Ambassador G.M. Pushkin rejected today a Western appeal for Soviet help in getting Communist East Germany to pare down stiff highway taxes in effect since April 1.

He again told the Big Three Western ambassadors the levies slapped on West Berlin's truck traffic are the sole responsibility of the East German republic.

The ambassadors met with Pushkin for four hours in the first formal meeting of top Western and Soviet officials in Germany since 1948. They proposed that the four powers occupying Berlin appoint German experts to study the tax problem and recommend a solution.

Direct Negotiations

In rejecting this, Pushkin insisted the question could be settled only by direct negotiations between the West German government and the Eastern government, which the West Germans refuse to recognize as legal.

West Berlin, isolated within East Germany, depends heavily on trucks to bring footstuffs and consumer goods from West Germany 110 miles away. In hiking the taxes, East Germany asserted more money was needed to keep the roads in repair.

The Western ambassadors estimated the new rates will cost West Berlin 7 to 10 million dollars year, unless a compromise can be reached. The old tax was boosted 1,100 per cent for the largest class of Western trucks to 240 marks—$57.12—for a round trip on the Berlin autobahn. This is a tax of about 25 cents a mile.

Haluska Refuses To Testify

PITTSBURGH, May 20 (AP)—State Sen. John J. Haluska (D-Cambria), militant advocate of a controversial cancer treatment, invoked the Fifth Amendment today and refused to answer government questions about establishment and operation of the Hoxsey Cancer Clinic.

Church-State Separation Up To Peron

BUENOS AIRES May 20 (AP) — Congress completed action today on a three-point program by supporters of President Juan D. Peron for restricting the Roman Catholic Church in Argentina.

Roman Catholic sources reported late in the day that federal police have arrested two more Buenos Aires parish priests on undisclosed charges. They were identified as Fathers Juan Stillo and Lujan Fontanella.

The Senate passed unanimously a House-approved resolution to set up the process for amending the constitution to separate church and state.

The Chamber of Deputies approved 112-9 a Senate bill to cancel the tax exemption of churches and religious organizations.

Point three in the program was approved earlier in the current three-week session by both bodies —discontinuing Catholic religious education in the public schools.

All three measures await signature by President Peron but this is taken for granted,

Thousands of red-hot, marble-size aluminum pellets blasted a wide area of Freeport today, creating near panic among many residents. The missiles flew out of a wind tunnel at an aeronautical laboratory.

Will Attend U. N. Meeting In 'Frisco

UNITED NATIONS, N. Y., May 20 (AP)—Soviet Russia is sending Foreign Minister V. M. Molotov to the 10th anniversary meeting of the United Nations next month in San Francisco. Molotov so informed the U. N. today.

Big Four To Confer

This makes certain the holding of new high-level East-West talks.

Secretary of State Dulles and French Foreign Minister Antoine Pinay announced earlier they will be in San Francisco. The British also are expected to send their foreign minister—Harold Macmillan if the Conservatives win next Thursday's election, a Laborite otherwise.

The four ministers have just met in Vienna for the signing of the Austrian independence treaty. They likely will confer at San Francisco on plans for the meeting of their chiefs of government later in the summer.

To Meet With Nehru

Molotov attended the U.N. founding conference at San Francisco in 1945. He will come from Moscow after talks with India's Prime Minister Nehru, who is slated to visit Moscow early next month.

V.K. Krishna Menon, foreign affairs advisor to Nehru, will represent India at the San Francisco session starting June 20. Menon is conferring in Peiping with top Chinese Communist officials. He likely will use the occasion of the San Francisco meeting to see the top representatives of East and West.

French Agree To Withdrawal Of Troops

SAIGON, South Viet Nam, May 20 (AP)—Premier Ngo Dinh Diem won an important victory today in his drive to lessen French influence in South Viet Nam. His deputy defense minister announced France had agreed to withdraw its troops from the capital city of Saigon.

The minister, Tran Trung Dung, said that eventually the entire 75,000-man French expeditionary force will be shifted from the big southern cities to two or three coastal embarkation points. Diem's government contends the troops in their present concentrations have angered the Vietnamese people and fired up Communist propaganda.

Dung's announcement followed disclosure that Gen. Paul Ely, French commissioner general in Indochina and commander of the French armed forces here, had asked Paris to relieve him of his post. Dung and Ely are working out details of the troops' regrouping. Ely's move came as a surprise.

Pvt. Marchuk Sentenced For Baring Secrets

BERLIN, May 20 (AP)—A U. S. Army court-martial convicted Russian-speaking Pvt. William T. Marchuk today of spilling American military secrets to the Russians as a captive deserter and sentenced him to 12 years in prison.

Turned loose by the Russians only last Jan. 8 after six years imprisonment in the Soviet Union, the 39-year old soldier from Norristown, Pa., blinked nervously at the verdict.

Marchuk had pleaded innocent. A self-confessed heavy drinker who served with the Air Force and Army in such areas as Panama, India and Burma before his assignment to Germany, he blamed liquor for his plight.

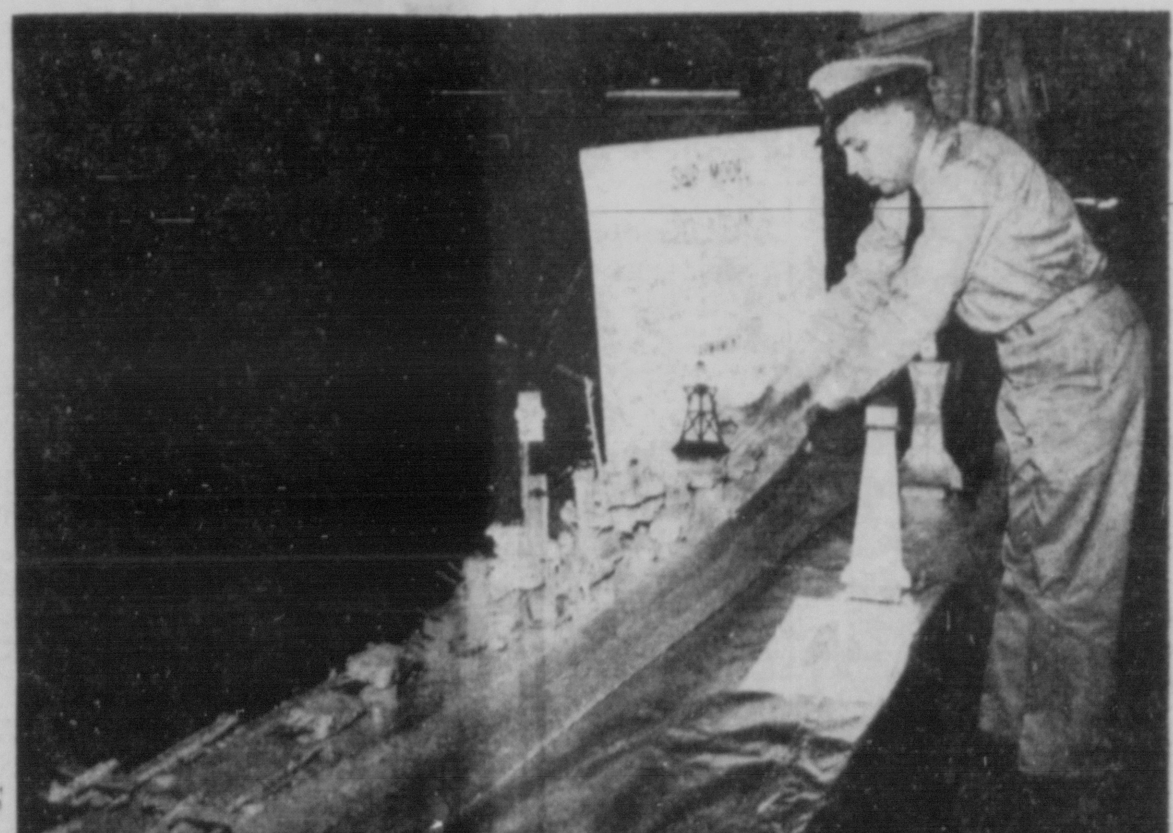
He was accused before the seven-officer court of deserting to the Communists in East Berlin while drunk in February 1949; telling the Russians about the inner workings of the Army Intelligence Department in West Berlin to which he had been assigned because of his knowledge of the Russian language; and trying to get better treatment at the Vorkuta camp in the Soviet arctic by associating with secret police informers.

Marchuk did not testify in his defense. But in the interval between his conviction and the 12-year sentence he took the witness stand to plead tearfully for clemency. He might have got 30 years.

Nearly $87,000 Stolen From Bank By Four Bandits

JACKSONVILLE, Ala., May 20 (AP)—Four armed bandits who mixed politeness with deadly threats robbed a Jacksonville bank of $86,727.12 today, then made a smooth getaway.

A stolen car in which they fled after their precisely timed strike at the First National Bank of Jacksonville, was found abandoned about two miles from this northeast Alabama city of 4,750.



CHIEF PETTY OFFICER Charles Odom of the U. S. Naval Reserve Unit, Battalion 17, Scranton, puts the finishing touches on model of the Cruiser USS Cleveland, which will be one of the many displays presented at the Tobyhanna Signal Depot's Open House today — Armed Forces Day. Other units of the Army, Navy, Air Force and Marine Corps in Scranton, Wilkes-Barre, Stroudsburg and Fort Meade, Md., will have displays and exhibits. Open House activities start at 10 a. m. and will continue throughout the day.

Experts Decide To Continue With Present Schedule

WASHINGTON, May 20 (AP)—The government tonight decided against reducing dosages of the Salk antipolio vaccine in an attempt to stretch out the scarce supplies.

This threw into further doubt just how soon millions of still unvaccinated children can receive the treatment.

A team of experts met all day here today to consider whether smaller dosages, possibly injected just into the skin rather than into the muscles, would be advisable.

Recommendations Made

But tonight Surgeon Gen. Leonard A. Scheele of the Public Health Service announced that this advisory committee has recommended that the present generally accepted schedule of three doses of one CC each of the vaccine be continued.

He said this and other recommendations are being immediately transmitted to medical and public health authorities throughout the nation for their guidance. This meant that they had the government's Okay.

Experts recommended that the vaccine continue to be injected into the muscles rather than just into the skin.

The team of experts also took up today another question: whether the vaccination campaign should be suspended in late summer, the height of the polio season, out of fear the injection might provoke a type of paralysis.

Second Shots Planned

On this score, the experts recommended:

1. In areas and periods where polio is prevalent, the first shot should be given "only after evaluation of all the circumstances."

2. But the second shots can be given in such areas and periods "without appreciable concern for the phenomenon of provocation." The experts explained that slight immunity resulting from the first dose of vaccine will most likely provide protection against any such effect.

The committee expressed the opinion that use of the vaccine during an outbreak of polio has its place in preventive medicine.

The full text of the advisory group's recommendations, which were approved today, follows:

Reviews Evidence

"The technical advisory committee has reviewed the immunological evidence bearing on the use of poliomyelitis vaccine and submits the following statement to the surgeon general:

"1. The committee believes that the field trials of the poliomyelitis vaccine conducted in 1954 in children in the first, second or third grades of school provided sound evidence of the vaccine's protective value. The committee believes further that deviations from the procedures used in those trials should be made only on the basis of the soundest evidence.

"With these considerations in mind the following procedure for administration is recommended:

"The course of vaccination should consist of three doses, each given intra-muscularly in 1.0 Ml. (1 cubic centimeter) amounts.

Before Polio Season

"The second dose should be given two to six weeks after the first dose and before the polio season if possible, although the second dose is beneficial even if given after a number of months.

"The third dose should be given about seven months after the first, preferably shortly before the next poliomyelitis season.

"The foregoing procedure not only approximates closely that employed in the field trials of 1954, but it is the one procedure of those tested which induces the best antibody response.

"2. Because of a possible shortage of poliomyelitis vaccine, other methods of using the vaccine were discussed but not recommended. It was believed to be unwise to recommend procedures at this time which are less effective antigenically (in stimulating the production of polio antibodies) and which therefore might fail to give a high order of protection.

"However, if investigations of other methods of administration are to be considered, the investigations should be carefully planned and carried out under carefully controlled conditions.

"3. The optimal (best) period for vaccination against poliomyelitis is before the epidemic season. However, it is the opinion of the committee that administration of poliomyelitis vaccine during an outbreak of poliomyelitis has its place in preventive medicine. Injection of the second dose of vaccine in the series can be given at such a time without appreciable concern for the phenomenon of provocation.

Federal Road Bills Incite Heated Debate

WASHINGTON, May 20 (AP)—A hot fight over America's highways-of-the-future opened in the Senate today, with Democrats and Republicans vying to put across rival plans.

Sen. Gore (D-Tenn), in the first major speech of the debate, declared that a bill he offered would criss-cross the country with "magnificent" new superroads.

"The like of it no nation has ever dreamed," he said.

Republicans, scoffing that the Gore bill would not do the job, bided their time to try to substitute an Eisenhower measure, turned down by the Public Works Committee in favor of the Gore bill. No Senate votes are to be taken until next week.

Introduced By Martin

Sen. Martin of Pennsylvania formally introduced the Eisenhower bill and served notice he would ask the Senate to pass it instead of the Gore measure. He praised the administration bill as a sound one, designed to modernize the nation's roads on a "pay as you use" basis and help cut down the traffic death toll.

The Gore bill calls for a federal-state outlay of $17,941,000,000 in the next five years on the four road systems aided by federal funds—interstate, primary, secondary and urban. Of the total about $12,750,000,000 would be federal money.

The Eisenhower plan would allot 38 billions of federal-state funds to the four systems over 10 years. Of this, 26 billions would be spent on the 40,000-mile interstate system, designed to link up all areas of the country.

Crash Occurs At Foot Of Foxtown Hill

TWO MEN were taken by ambulance to General Hospital for treatment of apparently minor injuries following an accident early today at Park and Morningside Aves., Stroudsburg.

The truck in which they riding failed to make the curve at the foot of Foxtown Hill, borough police said. It jumped the curb and sidewalk and traveled about 100 feet upgrade on a vacant lot, tearing down a traffic sign at the curb and several large evergreen trees in its wild dash, police reported.

Driver of the truck was identified as Lemuel Surplus, of Gouldsboro. His compansion was Richard Silcox, of North Arlington, N. J.

Dale W. Hoover was elected to serve as treasurer. The newly installed council will meet in the near future to elect officers of the vestry.

Rev. William F. Wunder, pastor of St. Paul's, will officiate at the installation and also deliver the vesper sermon on "Ascension Afterglow." Miss Beatrice Smith will be in charge of the music.

Methodist Youth Groups To Hold Sunrise Service And Communion Breakfast

THE THREE YOUTH fellowships of the East Stroudsburg Methodist Church, Intermediates, Seniors, Bykota, will unite tomorrow morning for a sunrise service, followed by a youth communion and breakfast. Plans are for all members of Sunday School classes of the Intermediate and Senior department of the church school and their teachers to meet in the rear of the church at 6:15 a. m.

Transportation will be provided to the Stanley Hartman home in Cherry Lane, where in view of the Delaware Water Gap, a half hour sunrise service will be conducted by members of the Youth Fellowship with the pastor, Rev. Harold C. Eaton speaking briefly on "Morning in the Heart." Immediately after the sunrise service the young people will return to the church and receive the sacrament of the Lord's Supper. The young folk will go to the church dining room and will be served a breakfast by a committee of mothers.

All young people and their friends of the church and church school are urged to participate. There will be no Youth Fellowship meetings in the evening.

Morning Worship

At worship at 11 a. m., the music will be under the direction of Miss Jean Maxwell, minister of music. The pastor will speak in continuation of his series of sermons on the Apostles Creed with a message on "I Believe in the Communion of the Saints." Immediately following the morning worship, weather permitting, the congregation is asked to gather in front of the church for pictures to be used on the Japan Mission.

Flowers are presented by Mr. and Mrs. M. Kenneth Heckman, whose daughter Joanne, will be married this afternoon to Donald Blyler. In charge of the kindergarten will be Mrs. Charles Miller and Miss Babette George.

At 7:30 p. m., Dr. Donald Corson will direct the congregational hymn sing. There will be special music under the direction of Miss Maxwell. The pastor's sermon will be "The Gospel According to May."

Dr. Charles J. Naegle, chairman of the Ways and Means Committee for the Japanese Mission will announce the progress of the funds campaign thus far.

Rev. James H. Pain

New Minister To Deliver First Sermons

REV. JAMES H. PAIN will preach inaugural sermons Sunday as the newly appointed pastor of the Methodist Churches in Portland and Delaware Water Gap. As his topic he has chosen texts taken from the appointed readings in Acts 1 and Mark 16. The sermon is entitled "Power for You."

Graduated from Occidental College in Los Angeles, Mr. Pain holds the Bachelor of Divinity degree from Drew University, Madison, N. J. He is a candidate this spring for a Master of Sacred Theology degree at Drew, where he is a member of the university faculty in religion.

He has served as director of religious life at Brothers College, and is former pastor of the Pocono Lake Methodist Circuit. He has also been associated with the Stroudsburg Methodist Church. Mr. Pain is a member of the Order of St. Luke, the Wesley Society, and the National Association of College and University Chaplains.

Services are held at 9:45 a.m. in Portland, and at 11:15 in Delaware Water Gap.

Annual Missionary Convention Opens

POCONO LAKE — The annual missionary convention of the Pilgrim Holiness Church opened Friday and will continue through Sunday.

Rev. Beatrice Felker and Rev. Dean, who are in charge, recently returned from Barbados, where they conducted a native seminary. They will engage in similar work at the completion of their furlough.

The local church now has another congregation in Peru, South America. Funds for its church building and furniture were contributed by the Pocono Lake congregation in a similar convention. Rev. John A. Gangaware is minister.

(Additional church news on pg. 7)

Rev. E. B. Moore Returned To County Charge

REV. EDGAR B. Moore, pastor of the Canadensis Methodist Church and McComas Chapel has been reassigned to the charge for the coming year. This appointment was made at the closing session of the Philadelphia Annual Conference last Sunday at the Academy of Music in Philadelphia.

At the morning worship service at the Canadensis Methodist Church tomorrow, commencing at 10:45 a. m., the sermon will be entitled, "The Devil's Plan." The Senior Choir will sing an anthem. Mrs. Theodore Vernoy will be in charge of the nursery.

The sacrament of baptism will be included in the service. The Sunday School meets at 9:30 a.m.

Rev. Newquist Hospital Speaker

THE HOSPITAL Committee of the Monroe County Ministerial Association announced last night that Rev. David C. Newquist, minister of the Shawnee Presbyterian Church, will be the speaker at the devotional service from 1:30 to 2 p.m. Sunday in General Hospital.

Sunday School Lesson

Scripture—II Chronicles 27—30; Micah 6-7

By Newman Campbell

AFTER THE death of Uzziah his son Jotham was king. He reigned from 750-735 B.C. He did not enter the temple of God and his people were corrupt.

After Jotham came Ahnaz, who was a worshiper of idols. He built altars to Baal and sacrificed on them, and he closed the door of the temple and took away the vessels thereof and cut them in pieces. All Judah was demoralized and sank deeper and deeper into idolatry.

The Syrians conquered Judah and carried away many, and Israel also took a host of their brother Jews captive to the northern kingdom. They were sent home later when the prophet Obed interceded for them.

At last we have a lesson about a noble king of Judah who not only restored his own people's faith in the Lord their God, but caused a great revival of the entire divided nation of Israel.

"Hezekiah began to reign when he was five-and-twenty years old, and he reigned twenty years in Jerusalem."

In his first year "he opened the doors of the house of the Lord, and repaired them."

He brought the priests and Levites (sons of Levi who aided the priests in the care of the temple and its treasurers), and told them, that the doors of the porch of the temple were closed, the lamps put out, and there had been no incense burned nor burnt offerings made in the holy place unto the God of Israel.

For these things, said Hezekiah, "the wrath of the Lord was upon Judah and Jerusalem, and He hath delivered them to trouble . . . as ye see with your eyes."

The Levites and priests went into the temple and cleansed it thoroughly and sanctified it and then came and reported to the king. Early the next morning Hezekiah rose and gathered the rulers of the city and went to the temple to sacrifice to the Lord.

"And the Levites stood with the instruments of David, and the priests with the trumpets . . . And when the burnt offering began, the song of the Lord began also with the trumpets and with the instruments ordained by David — king of Israel. And all the congregation worshipped, and the singers sang, and the trumpeters sounded: and all this continued until the burnt offering was finished." Then all worshipped with gladness.

Then King Hezekiah wrote letters to all Judah and Israel asking them all to come to Jerusalem to keep the Passover, and his messengers took the letters and carried them to all parts of the countries.

Some mocked and laughed, but many came to Jerusalem and kept the Passover. Some had not sanctified themselves according to the law, but Hezekiah prayed for them, saying: "The good Lord pardon every one."

"And the children of Israel that were present at Jerusalem, kept the feast of unleavened bread seven days with great gladness; and the Levites and the priests praised the Lord day by day, singing with loud instruments unto the Lord. . . . And the whole assembly took counsel to keep other seven days; and they kept other seven days with gladness."

"So there was great joy in Jerusalem: for since the time of Solomon, the son of David king of Israel, there was not the like in Jerusalem.

"Then the priests and Levites arose and blessed the people; and their voice was heard, and their prayer came up to His holy dwelling place, even unto heaven."

This is the first time we have had any account of singing in the Bible since the deliverance of the Hebrew people from the pursuing army of the Egyptians when Moses and the children of Israel sang a wonderful song.

Our lesson today has a far happier ending than any we have had in recent months.

The battle of good against evil is never ending. From early childhood to the end of our lives we are assailed by temptations. Everyone in the whole world knows that when we do what is right and pleasing to God and His Son Jesus, we are happy, and even if we have griefs we can meet them with courage because we know we will receive help from above. Let us close with the eighth verse of the sixth chapter of Micah, which is also included in our lesson:

"He hath shewed thee, O man, what is good; and what doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God."

MEMORY VERSE—"The Lord God is gracious and merciful, and will not turn away His face from you, if ye return unto Him."—II Chronicles 30:9.

THE CONQUEST OF FEAR

One of the earliest emotions a child experiences is fear. And from the first loud noise that awakens him until the moment of his death he knows no day without some recurrence of the sinister, some foreboding of danger.

From the beginning of time religion has been our tested antidote to the poison of fear. In the dark forests of antiquity, on the boiling seas of exploration, in the fox-holes of modern strife, men have calmed the body's trembling with the soul's faith. We have faced the unknown, the hostile, through trust in the Known, the Faithful; we have challenged the insurmountable, confident in the power of the Almighty.

How essential, though, that each generation passes on our Faith to the next! Who dares to deprive a child of the chance to conquer fear? Who would rob his son's soul of the Christian heritage martyrs died to preserve?

Bring your children to God's House every Sunday. Seek with them FAITH for this atomic age.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Owen J. Roberts Passionate Believer In Free Government He Served So Well

A distinguished public career spanning two generations ended with the death this week of Owen J. Roberts, former Associate Justice of the Supreme Court, at the age of 80.

He was a man of convictions and the courage to express them, whether they happened to be popular at the time or not. And though he antagonized New Dealers when that philosophy was in the saddle, he defied easy classification—one writer described his philosophy as "inherently conservative tinged by a slight aristocratic liberalism."

Although already widely known in his native Philadelphia, he first gained national prominence as one of the prosecutors in the notorious Teapot Dome oil scandals. Named to the Supreme Court by President Hoover, he cast the deciding vote in several decisions overthrowing laws enacted by FDR's Congresses, but several times made unexpectedly liberal decisions.

His retirement from the court in 1945 was no journey to obscurity.

He fought vigorously for Universal Military Training when our forces were demobilized at the end of World War II, and until his death was the head of the Atlantic Union Committee and a forceful advocate of political union of the North Atlantic democracies as the best insurance against another war.

Owen J. Roberts was a humanitarian and a passionate believer in the system of free government he served long and well. His life was a credit to his state and his country.

Modest Investment In Promotion Of Tourist Business Would Pay Dividends

Tourists from other states spend more than a million dollars a day in Pennsylvania, the State Department of Highways has revealed.

The figure resulted from a survey made last summer by the Department in co-operation with the U. S. Bureau of Public Roads. Obviously the amount would be even greater if it included the money spent by Pennsylvanians touring their own state.

This is Big Business. It deserves to be encouraged, and expanded if possible. The money spent by tourists not only adds to the prosperity of Pennsylvania citizens who serve the traveling public, but brings more funds into tax coffers.

The state gets additional gasoline, sales, liquor and cigarette taxes. Local governments get revenue from real estate.

Other figures resulting from the survey reveal opportunities for increasing Pennsylvania's tourist business.

More than 57 per cent of the out-of-state motorists crossed Pennsylvania without stopping for lodging. That percentage might well be increased by giving travelers information on Pennsylvania's mountain and lake resorts and points of historic and scenic interest.

Tourist expenditures averaged a little under $9 per person, which isn't bad. It could be increased, however, by inducing more persons to stop for a while or spend more time touring the state.

Survey figures were obtained by interviewing motorists at 46 points near the borders of the state. A simple thing like handing out descriptive literature at such points could make our tourist business more profitable.

In its present financial condition the state cannot afford to throw money around, but a small investment of this kind could improve its finances.

American Civil Liberties Union Can't Condone Violation Of Citizen's Rights

Mrs. Manuel Miller, of Bethel, Vermont, does not like me. Her antagonism is due to the fact that I am a Jew and she has issued a vicious statement to that effect. This woman has been seized, has been declared insane by Judge Ernest Gibson, whom she attacked and who therefore should not have sat in her case. She has been taken from her home in Bethel, Vermont, to an insane asylum in Washington, D. C. She has been treated with a brutality to which Americans are not accustomed.

The fact that Mrs. Miller attacked me or Judge Gibson does not warrant brutal treatment nor does it explain why she should have been taken from Bethel, Vermont, to St. Elizabeth's hospital in Washington, D. C. If she is ill, surely there are institutions closer to her home, to her husband and mother, than Washington.

It seems to me that is precisely the case that the American Civil Liberties Union ought to jump into to prove beyond doubt that it is fighting for human rights and not only for the rights of those who uphold certain causes. Mrs. Miller started as an anti-Communist. In recent years, she has become an anti-Semite. She has issued mimeographed circulars containing violent abuse of persons and unfounded statements which, at any rate, she had no facilities to check. She finally advised young men not to register for the draft, which is an illegal act.

But for all this, she should not have been seized; her home should not have been damaged; due process should have been pursued to the very end. There could not have been due process if Judge Gibson determined on her mentality after she had attacked him anymore than it would be fair or just for me to decide her sanity after she had expressed hatred for me.

So the American Civil Liberties Union has this opportunity to see to it that this woman, who regards the ACLU as an arm of American Communism, gets a square deal under our laws. If Mrs. Miller or her family does not apply to the ACLU for aid, I do and I hope that my request will be granted. If she is insane, as Judge Gibson said she is, then she should be sent to a hospital nearer home as would be fair. The United States does not want a Siberia even for those whose ideas are unpopular or unpleasant.

And there is another matter that the ACLU might consider with more relation to its stated purpose than its own mimeograph on the subject indicates; that is the broad question of the Right to Work legislation passed by 17 states. On this subject, the American Civil Liberties Union said:

". . . the history of interference with the civil liberties of labor organizations, in the areas where most of the statutes have been enacted, gives ground for concern that they carry the potential danger of being used—or misused—directly to obstruct the exercise of basic organizing rights like the hiring of halls for union meetings."

Here is a conflict between two rights: the right of the individual to liberty and the pursuit of happiness and the right of labor unions to organize workers. If an American chooses to work without joining a union, by what specific clause in the Constitution is he to be deprived of his choice? Seventeen states have passed legislation protecting him in that freedom of choice, whether his judgment is sound or not.

The ACLU says:

"As a non-partisan organization devoted only to maintaining civil liberties, we take no position on the merits of the arguments that labor unions make in their organizing campaigns. Our interest is in keeping open the channels of communication through which both unions and employers may present their opinions . . ."

That statement seems to me to beg the question which has nothing to do with employer-employee conversations but with the right of an individual American to determine all on his own whether, in order to work for a living, he must pay dues to a labor union. As a practical matter, he probably will have to join a union and pay dues because so many employers sign closed shop or union shop contracts.

But the American Civil Liberties Union cannot recognize practicality or expediency as an excuse for a violation of a citizen's rights.

The Once Over

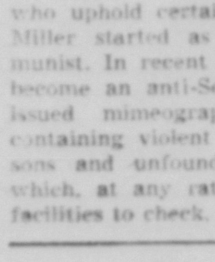
Sleeplessness By The Elevated



New York ran its last elevated railway train the other day, and not enough sympathy has been expressed for the thousands of dwellers along the "L" lines who haven't been able to get a wink of sleep since. Accustomed for years to the roar of trains past their bedrooms, and able to sleep soundly despite it, the sudden silence leaves them pop-eyed through the long night. "I used to sleep through collisions right outside my window—a few feet from my pillow, in fact—but the complete quiet keeps me on edge," said a Third Avenue resident today. "It's like suddenly finding yourself in a baseball park in mid-winter."

"Have you tried sleeping pills?" we asked.

"No good against the frightful tranquility," he replied. "I am hiring a fellow to rattle sheet metal outside my window all night. That may do it."

Another sufferer is the man bathrom was only a few feet from passing elevated trains. "I got used to being watched by thousands of strangers as I shaved or showered," said one of them. "On hot nights, when the breeze played with the curtains, I never felt comfortable unless hundreds of eyes were on me. I am a bathroom singer from away back and my training in making myself heard above the rattle of elevated trains made me one of the best bass singers in the business."

Another East Side dweller was telling us about his apartment where the kitchen was practically grazed by elevated trains. "When the wife boiled eggs she timed them by the trains," he said. "She would put in the eggs at the roar of an approaching local and let them boil until the rattle of the next express. This was in the five minute rush-hour interval. Never had to turn griddle cakes. The vibration did it."

We also encountered the sad case of a fellow who was one of a family of six, dwelling for years in a flat beside the elevated. In their entire lives they never heard anything one another said. When the last train was run and silence descended on the area, this man declared he found all spoke different tongues!!!

Letters To The Editor

The Daily Record welcomes Letters with a bona fide address given. Such signatures and addresses will be withheld if the writer desires.

Dear Mr. Heller:

Will you kindly publish the following letter?

The telephone calls, with an anonymous voice, which prevailed throughout the mountain region on the Monday prior to the recent Primary Election and directed to the Republican voters of this area, were most infuriating to those receiving them and degrading to the Republican party of Monroe County.

The "voice" stated the calls were sponsored by the Republican Committee of Monroe County. When the county committee must resort to tactics of this type namely; a COMMAND on how to cast your ballot, it is time the voters "speak."

As Republican voters of Monroe County, we still retain normal intelligence and the American privilege of making our own decisions in casting a ballot for the candidate of our choice; whether or not he or she is sponsored by the county committee.

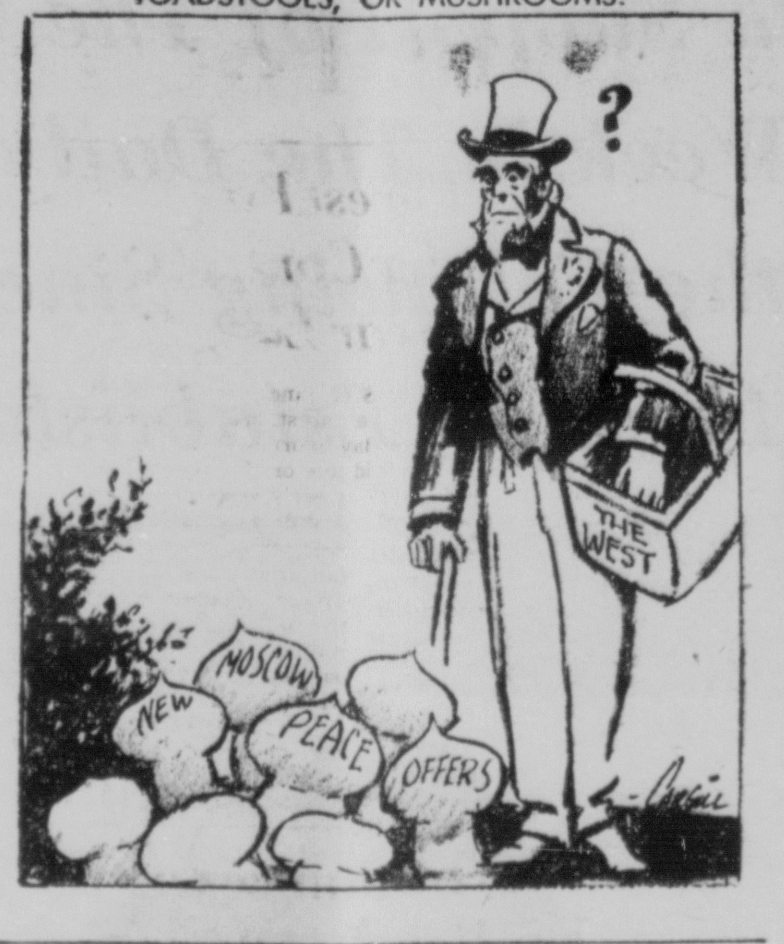
TOADSTOOLS, OR MUSHROOMS?



Stevenson To Oppose Senator Dirksen? No!

Washington—Recent talk that Adlai E. Stevenson might run for the United States Senate in 1956 against Senator Everett M. Dirksen (R), Illinois, can be discounted. Political insiders insist there isn't a chance in the world of this happening—unless the 1952 Democratic presidential candidate just doesn't want to get to the White House at all. They say that if he decides against seeking and taking the presidential nomination in 1956, he will never get another chance.

Hard-bitten politicians would take Stevenson's opposition to running in 1956 as fear that he would lose to President Eisenhower again. (And because the Democratic convention will be held before the Republican, Adlai probably will have to make up his mind before knowing what Ike will do.) These politicians, who form the backbone of any political party, would turn from Stevenson if that happens, and would never give him another crack at the presidency.

Radio, TV Probe — The Senate is expected to endorse the House-approved $80,000 appropriation for a sweeping investigation of the radio and television industry by the Federal Communications commission. The full-scale probe, expected to begin this year, will be the first since the famed "chain broadcasting" investigation held in 1938.

The Federal Communications commission wants to unlock the doors behind which the industry operates—amid complex and often hush-hush maneuvers. It particularly wants to learn more about the economics of the radio-television industry.

The FCC intends to delve into the role played by sponsors, the advertising agencies—and talent as well. Most of all, it aims to crack down—and hard—on any monopolies which exist to the detriment of the American public.

Calculated Risk—Officials of the government's Agricultural Research service see great promise in what they call biological control of certain crop pests, but they are very careful in making use of this method.

In a nutshell, what the procedure amounts to is introducing new insects or small animals which are natural enemies of the crop destroyers. The chief problem is that the cure may turn out to be worse than the disease. It can happen with plants as well as with insects and animals.

There is the example of the South American water hyacinth, imported to the southern United States as an ornamental plant. The hyacinth now clogs ditches and waterways and makes a general nuisance of itself.

The Washington, D. C., starlings, imported to combat tree insects, are another case in point. Various measures have failed to scare them from favorite perches on government buildings.

Often the invasion takes place in reverse. The American prickly pear, introduced into Australia, rapidly spread over 30 million acres. An imported cactus moth finally stopped its advance.

Try and Stop Me

—by Bennet Cerf

Commander Edward Whitehead, with a distinguished record in the British Navy in World War II, is famous for something else entirely. He's the man with the full, magnificent set of whiskers in the tonic ads. He acquired the "beaver" aboard a Royal Navy vessel. He'd sworn that he wouldn't shave again until victory was achieved — and had to wait two years for the magical day. He became too attached to his whiskers (and vice versa) to part with them—although fellow officers almost did that for him by setting fire to his "beaver" while he was taking a nap. "Fortunately," he recalls, "it only sizzled."

Whitehead was much influenced by the reason George Bernard Shaw always gave for his beard. When Shaw was a boy he used to watch his dad struggling through his shave each morning and finally asked, "why do you do it?"

"Why, indeed," agreed pater and threw his razor away. "Father never shaved again," G. B. S. insisted, "and neither shall I."

Potomac River Still Muddy After Long Cleanup Effort

Still Muddy — Four years of experimenting and a lot of money have had no effect in cleaning up the Potomac River. In fact, it's more polluted than before. That's the glum report of the Interstate Commission on the Potomac River Basin. Its engineers blame increasing population, industrial expansion and inadequate preventive measures . . . A long-standing feud between San Francisco and Seattle has broken out again over which will handle Army shipments of refrigerated cargo to Pacific destinations. San Francisco has handled around 80 percent of the Army's refrigerated cargo, but last month Senators Warren Magnuson and Henry Jackson (D., Wash.) held a secret meeting with Army transportation chiefs and apparently got an agreement from them to switch to Seattle. Whereupon Representative John Shelley (D., Calif.) convened a meeting of House members from his state, and read the riot act to Army authorities. They promised to "study the matter further." It looks like they're due for rough going whatever they decide, as Senator Warren Magnuson is chairman of the powerful Interstate Commerce Committee as well as being up for election next year.

Crystal Ball—Republican leaders have assured President Eisenhower he will win if he vetoes the 8.8 percent postal pay raise bill. They have told him the bipartisan supporters of this controversial measure will be licked by at least eight votes in trying to override his veto in the Senate, which will act first on the issue. Defeat there will end the fight as a two-thirds majority is needed in both chambers to reject a presidential rejection . . . Apparently in anticipation of being licked the AFL National Association of Letter Carriers has prepared campaign literature assailing the Administration. The President is being attacked on the ground his veto cost every postal worker "the price of a loaf of bread per working day." . . . The indexing of the new Congressional Directory is a sloppy job. There are a number of mistakes in it. Example: The index lists the Foreign Claims Settlement Commission on page 485, when it is actually on page 490.

Social Whirl — Generalissimo Rafael Trujillo, long-time ruler of the Dominican Republic, doesn't entertain often, but when he does all Washington knows about it. His lavish parties are the joy and delight of the free-loaders. To celebrate the 21th anniversary of Trujillo's first election as President, a huge black-tie reception was staged in the ornate Hall of the Americas of the beautiful Pan American Union. Dominating the great ballroom was a 45-foot buffet piled high with turkey, chicken, breast of pheasant, lobster, salmon, beef tongue, ham, roast beef pate de foie gras capon, shrimp, ices, cakes and pastries, and numerous other desserts. And for the thirsty, there were seven bars . . . Star of a tea given by Mrs. Sherman Adams, wife of the President's secretary, for Republican women party workers, was Sylvia— the Adams' pet Siamese cat. Sylvia greeted all the guests, but meticulously refused proferred tidbits. She's been trained that way . . . Mrs. Merriweather Post, recently-divorced wife of former Ambassador Joe Davies, has returned to the social arena. She made her re-entry with a "square and round" dance, preceded by a buffet supper. Dancing began promptly at 8:00 and ended at the stroke of 11:00 . . . The military had a particularly hectic social week. Society editors counted a total of 37 parties of various kinds in the Capital area. Outstanding among them was a cruise down the Potomac that Navy Secretary Thomas gave for 18 guests aboard the USS Sequoia, the yacht that goes with his job. The trip included dinner and dancing.

The investigation of housing scandals has had the ironic result of slowing down the government's much publicized battle to eliminate the nation's slums. Unless some new devices to prevent profiteering in housing projects are found, housing experts are wondering whether the government's new urban renewal program will ever get off the ground.

The trouble stems from the safeguards written into the 1955 Housing Act setting up the anti-slum program. Industry groups claim the law is too tough on the profit end and, as a result, contend they can't do business with Uncle Sam.

Housing officials admit the program hasn't proceeded as fast as they like but say it's due to red tape and the fact that government and industry people have to be educated on the new rules. However, Housing Administrator Albert M. Cole says that if some better methods to control profits can be figured out he would be glad to consider them.

Congressional Age — Congressmen are older than their predecessors 165 years ago. The Census Bureau in a recent report said that in the first Congress in 1790 the median age of the Senate was 50 and that of the House 46. Today, the average age of a senator is 56 and that of a House member is 51.

In 1790, there were no senators over 65 and no representatives above the age of 70. Today, 13 per cent of the senators and seven per cent of the House members are more than 70.

Study Group For State Liquor Plan

—by H. G. Heller

Many "liquor" bills already introduced in the 1954 session of the legislature have earned opposition from Pennsylvania Alcoholic Beverage Study, Inc.

The PABS believes:

On the whole, Pennsylvania has a sound system of liquor control. Most of the liquor bills introduced at this session tend to weaken enforcement of the liquor laws. This is especially true of bills designed to exempt clubs from the quota limitation provisions of the Liquor Code, generally referred to as the Quota Limitation Law, which restricts liquor licenses to one for each 1 - 000 of population.

The study branded a bill which would remove units of nationally chartered organizations from that law just another device to circumvent the salutary provisions of the Quota Limitation Law.

The Study organization also disapproves other bills proposing changes in the Quota Limitation Law. A bill to limit state stores to one for each 25,000 of population is disapproved because state stores do not sell liquor by the drink and consequently the Board should have the right to determine the number and locations of such stores.

A bill to extend the Quota Limitation Law to wards of cities is disapproved as impractical. Presumably the bill would not affect the renewal of existing licenses so that the excessive number of retail establishments that now exist would still continue to operate.

The study believes the most feasible solution of the problem of excessive licenses appears to be to give the Board discretion to refuse to transfer a license and to provide that the Board shall in no case transfer a license unless it finds that the transfer of such license is necessary for the accommodation of the public.

ESHS Honor Society Chapter Installs Nine New Members

EAST STROUDSBURG High School held installation of new National Honor Society members yesterday morning.

Adrian Tewksbury presided at the meeting. He summarized the goals of the organization. The four student speakers were Elizabeth Knierim, who spoke on scholarship; James Terrill, on leadership; Reva Heller, service and Harvey Miller, character. These five students were named to membership last year.

New members installed were Vilja Kreek, Pearl Barlieb, Jeanne Poortstra, Carol Cramer, Rosalie Lesiuk, all seniors; James Terrill, Joyce Bond, Berenice Kirchhofer and Patricia Stiff, all juniors. Mrs. Eugene Martin is the adviser.

Bender Speaks

Ralph Bender delivered the main address. He is an English and social studies teacher on the faculty. In his speech, Bender stressed the great opportunities before young people today in comparison to those their forefathers had in older times.

He urged the students to find a specific field of interest, to read and enlarge themselves on this subject. Any worthwhile job should be done expertly, he said.

Bender concluded with the observation from his own personal philosophy that it is better to be a first class ditch-digger than a fourth-class engineer.

Robert Hartman, vocal music instructor at the school, sang a solo—"Once To Every Man and Nation."

First President Of Legion Women Wears Poppy

ONE OF the American Legion poppies yesterday was being worn by Mrs. Althea B. Staples, 94, who was the first president of the American Legion Auxiliary of George N. Kemp Post.

Mrs. Staples, anxious that she be given an opportunity to contribute to the rehabilitation work represented by the poppies, had called the poppy chairman, Mrs. Rudolph Blitz. Mrs. Blitz delivered the poppy in person yesterday afternoon to Mrs. Staples and heard from her reminiscences of the early days of the auxiliary.

Rites Planned Monday For Crash Victim

FUNERAL SERVICES for Linda Mary Oney, 6 of East Stroudsburg RD2, will be held Monday at 2:30 p. m. at Lanterman funeral home.

The child was killed instantly Thursday at 6:30 p. m. when the coal truck in which she was riding ran off the road and overturned two miles south of Mount Pocono on Route 196. The truck was driven by her grandfather.

Rev. Edward T. Houston, pastor of Pilgrim Holiness Church, will officiate. Interment will be made in Kockee Chapel Cemetery, Paradise Valley. Friends may call at the funeral home Sunday from 7 to 9 p. m.

The grandfather, Nelson Whitmore Sr., East Stroudsburg RD 2, was still listed in "satisfactory" condition at General Hospital last night.

Service Held In Honor Of Ludwig Girl

FUNERAL SERVICES for Patricia Ann Ludwig, 7 of East Stroudsburg were held at 2 p. m. yesterday at Lanterman funeral home.

Capt. Charles Baker of the Salvation Army Citadel officiated. Pallbearers were Charles and William Stitzer, Frank and John Lanterman.

The Ludwig girl was badly burned on May 3. Police said at the time of the incident that she had apparently been burned when her clothing and hair caught on fire from a lighted book of matches thrown by another child.

Investigation of the incident is still being continued.

New Office Building Is Completed

THE BELL Telephone Co. of Pennsylvania has started the installation of dial telephone instruments in preparation for the change to dial service in Bushkill, it was announced yesterday by B. Van Horn, local manager.

Telephone customers will have both the old and new telephone instruments in their homes until after the change is made. The new dial telephone will not be operative until after the cutover, which is scheduled for July 8.

Cost Set at $180,000

Van Horn said that the new central office building has been completed and the intricate switching equipment necessary to provide fact modern dial telephone service is now being installed.

The change will cost the company over $180,000 Van Horn said. Th cutover will take place at 7 A. M. on July 8, after which all Bushkill telephone numbers will be changed and it will be necessary to dial the five figures of the listed number to make a call, he added.

John LaBar, 79, Expires At Bushkill

BUSHKILL—John B. LaBar, 79, died at 7:30 p.m. yesterday at his home here. He had been in failing health two months.

Mr. LaBar was a native and lifelong resident of Lehman Township, Pike County.

Surviving are eight children: Mrs. Mabel Matlock and Mrs. Alice Loring, both of Analomink; Mrs. Mary Miller, Herbert and Richard, all of East Stroudsburg; Raymond, Saylorsburg; John Jr., Stroudsburg, and Edna LaBar, Henryville; also a number of grandchildren.

Private funeral services will be held at the convenience of the family. Burial will be in Sand Hill Cemetery. Lanterman funeral home is in charge of arrangements.

Ambulance Corps Still Needs $1,000

PORTLAND — The ambulance fund here has reached $5,500, about $1,000 short of total amount required, and steps have been taken to incorporate operation of the service under the name "Ambulance Corps of Portland and Vicinity, Inc."

The charter is expected to be presented to members of the ambulance committee in Northampton County Court May 23. Some 44 men have completed a first aid course and will be active members of the corps.

Active functioning of the group is expected about June 15.

Already Purchased

The ambulance is already purchased. Considerable auxiliary equipment has been ordered.

Officers of the new organization will be named and announced later.

Service area of the ambulance and its corps now includes Portland, Upper Mt. Bethel Township, Knowlton Township, East Bangor, Delaware Water Gap and Richmond region.

Electric Motor Starts Fire At Industrial Plant

FIRE, apparently caused by an electric motor, broke out in the Pocono Metal Products Co. plant at Burson and Harris Sts., East Stroudsburg, at 10:10 last night.

Acme Hose Co. firemen put the blaze out in a matter of minutes, aided by the automatic sprinkling system inside the plant which went off at about the same time firemen arrived.

Damages were believed to be slight last night but cannot be estimated correctly until the plant is inspected today.

Pocono Metal Prodauct is owned by Carl Adelmann Sr., N. Fifth St., Stroud Township.

2,000-Acre Forest Fire Brought Under Control At Grass Lake, Near Long Pond

BETTER THAN 2,000 ACRES of land were burned in the Grass Lake region near Long Pond by a forest fire which broke out early Thursday and ended early yesterday morning.

District Forester E. C. Pyle said five or six crews left the fire scene about 1 a. m. yesterday and returned early yesterday morning to build backfires around the remainder of the wide area covered by the flames.

Land affected is owned by both the Bethlehem Water Co. and the Pennsylvania Game Commission. Roads leading to both tracts have been barred, and some of the land posted against trespassing, officials said.

Pyle said the scope of the fire ranged from the Hypsie Gap road all the way to Bowers Gap, not far from the Big Pocono Fire Tower. Flames hung largely on the south side of the mountain and roared through the rocky, scrub oak territory with the aid of strong winds.

The protracted period without rain had dried the region so thoroughly that flames had easy access to everything in their path.

Second Performance Of Show Given For Benefit Of Center

"HI, NEIGHBOR!," a two-act variety show in nine scenes, was presented for the second and final time last night in East Stroudsburg Junior High School auditorium.

The show benefits the Day Care Training Center, a school for handicapped and mentally retarded children which serves all areas of Monroe County.

It was produced and choreographed by Karen Kemple Roth and made use of the talents of students at the Roth Creative Dance Theater. Guest artist was comedian Sammy Birch, a "regular" on the Jackie Gleason Show.

The first scene was centered around "Life In New York." It included characterizations of everyday life and persons along city streets. The show opened with a group of children and Mrs. Roth singing the theme.

Three Vocal Numbers

In the second scene Mrs. Roth sang "Stranger In Paradise," "C'est Magnifique' 'and "Young and Foolish." Jane Law and George Barna danced to the last-named song.

Birch did a series of impersonations to records for the third scene, "Star On Broadway." The fourth episode was "Babes In Toyland," consisting of excerpts from that classical musical fantasy.

At intermission Walter Strunk, president of the Day Care Parent-Teaches Association, presented a bouquet of flowers to Mrs. Roth and expressed the group's appreciation for all she had done.

Scenes in Act Two were the following: "The Seasons—in the Poconos"; a "country auction" turn by Birch; a "Theme and Variations of Three Blind Mice"; "The Krazy Kreeps' 'and the finale, "Make Mine Country Style."

Participants

Among those taking part in the entertainment were Frances Stearns, Diana Cohen, Robyn Roth, Ernest Schwartz, Jeanne Poortstra, Ellen Mazer, Rosemary McMahon, Carla Donna Holmgren, Carlyn Stearns, Corinne Smith, Margaret Andrews, George Barna, Libby Radel, Mrs. Harold Kreck, Abbie Shulman, Barbara Keiser, Jane Law, Mary Feitig, Johnny Feitig, Christine Kresge.

Also Molly Morrissey, Mary Jane Serfass, Elizabeth Hintze, Jay Stearns, Judith Nagler, Susie Snyder, Sally Feitig, Rosemary Monatt, Barbara Miller, Judy Veety, Joyce Kresge, Mary Ann Bosman, Reva Heller.

Committee chairmen included the following: George Court, Mrs. E. J. Wood, Mrs. Ernest Griggs, Mrs. Harry Rider, Mrs. Nancy Boltz, Mrs. Walter Strunk, Mrs. Martin Ellsweig, Mrs. Donald Holmgren, Mrs. Marian Teleski, Mrs. Robert Keith, Mrs. Robert Fletcher, Mrs. Elwood German, Mrs. Harold Kreck.

Fire Causes $2,000 Loss To Garage

FIRE NEARLY destroyed a garage on the George Papillon home, Chipperfield Drive at 5:15 p.m. yesterday.

Estimated loss in the blaze was $2,000, according to Clyde White, Stroud Township fire chief. The garage was almost completely burned out, White said.

Firemen stayed at the fire scene for about three-quarters of an hour to guard against spread of the blaze to the Papillon home nearby.

Baled hay and machinery were stored in the garage. Papillon told firemen he was out in front of his home mowing the lawn when a next-door neighbor came running over and yelled: "Hey! Your garage is on fire."

Cause of the blaze was not determined, White said.

Kushner Wins Close Match

IN THE SESSION of the Stroudsburg Chess Club on Thursday night at the office of President John Price, Rev. John B. Hoesman and Joseph Kushner played the third in their series of three tournament games. The victor was Kushner.

Price defeated Charles Upshaw in a hotly contested game. He also defeated Louis Mondell and won one other non-tournament session.

As the tournament draws to a close, non-tournament games are very much to the fore. Harold James defeated William P. Deering two games out of an extra session of three. Deering also lost one game to William Hay and won one from Mondell.

Baccalaureate Sunday At Local College

BACCALAUREATE services for the 87 students in the Teachers College graduating class will be held at 3 p.m. Sunday in the auditorium.

The speaker will be Rev. Millard G. Roberts, associate pastor of Brick Presbyterian Church, New York City.

He was educated at Syracuse University, Yale University and the University of Chicago. He holds four degrees. He served as an Air Force chaplain in the Asiatic-Pacific theater of operations for five years during World War Two.

Honors Accorded

He is the winner of the Army Commendation Medal, the Air Medal, the Broze Star and a Presidential citation.

The baccalaureate service will be opened with an invocation by Rev. Frank H. Blatt, pastor of Zion Reformed Church in Stroudsburg. College President Joseph Noonan will give the Scripture lesson.

Malotte's setting of "The Lord's Prayer" will be sung by Carol Perkins and Charles LaBar.

Rev. Millard G. Roberts

Improvements To Parsonage Authorized

KEOKEE Evangelical United Brethren administrative council received a report from trustees containing recommendations for extensive improvements to the parsonage.

Rev. C. E. Spangenberg, pastor, conducted the meeting with all trustees and other elected and appointed officials attending.

Mrs. Horace Stiff, president of the Willing Workers Guild, was introduced and received as an advisory member.

Report of trustees on parsonage improvement included: installation of a new combination coal and gas range, together with hot water tank; replacing wood coal bin with concrete blocks, flooring at rear of laundry room and covering walls with fibre board; rain gutters and remedy for a drainage problem and other minor items.

Total Cost Estimated

Mrs. Stiff pledged the Willing Workers to a major portion of the expense involved. The council expressed its appreciation for the pledge. The accrued interest on a trust fund set up to benefit the church will help defray the costs of improvements. Truustees authorize use of this money, toward total cost of about $600. Two other projects were set aside for later financing.

They include modern church lighting and installation of leaded art glass.

Exterior of the church has been painted at a cost of $325. Willing Workers provided funds for this work. Pastor was authorized to have weekly church bulletins placed in various resorts.

Bulletin Editor Named

Mrs. Edward Besecker and Mrs. Robert Koerner were thanked for sponsoring weekly church bulletins made possible by recent purchase of a mimeograph by Willing Workers. Mrs. J. W. Friday was elected editor of the bulletin. Her late husband served as pastor of Paradise Charge.

Worship at 8 p.m. was adopted for June and July. Children's Day exercise was set for June 12. Sunday school will henceforth convene at 10:45 a.m.

Those attending were Mrs. Winifred Goll, Miss Lula Henry, Mrs. Levan Flory, Mrs. Edward Besecker, Mrs. Horace Stiff, George Bogert Sr., George Koerner, Willian Henry, Levan B. Flory, Rev. Spangenberg.

Polk Class To Conduct Services

KRESGEVILLE — Polk High School's baccauaureate service will be held Sunday night in the school auditorium.

The baccalaureate service, as announced by Harry T. Young, supervising principal, will open with the processional, "Holy, Holy, Holy" and an invocation by Rev. G. Robert Booth. Time of service is 8 p.m.

Rev. Booth will also deliver the beatitudes, reading from the Scriptures and the benediction. Rev. James Laubach will give the main sermon.

The high school glee club will be heard in several selections. Also to be heard will be a brass quartette. Polk's commencement exercises will be held Monday night at the school.

Presbyterians Elect Wright As Moderator

LOS ANGELES, May 20 (AP)—Dr. Paul S. Wright of Portland, Ore., son of a missionary, was elected yesterday to lead the Presbyterian Church in the United States of America.

Dr. Wright, 59, takes over the highest honorary position in the church of more than 2½ million members, one of three Presbyterian groups.

He leads the week-long 167th General Assembly which opened yesterday.

Dr. Wright was chosen over Dr. John Sutherland Bonnell of the Fifth Avenue Presbyterian Church, New York City. The vote was 510-393.

Born In Iran

The new moderator was born in Tabriz, Iran, and came to America when he was 15. He attended the College of Wooster in Ohio and the McCormick Theological Seminary in Chicago, graduating in 1922.

He served in the Army during World War I. He has held pastorates in Crosby, N. D., Bismarck, N. D., Minneapolis, Oklahoma City, and Portland, where since 1941 he has been pastor of the First Presbyterian Church.

Dr. Wright's predecessor, Dr. Ralph Waldo Lloyd, president of Maryville, Tenn., College, asked the General Assembly to approve entry of women into the ministry and to press harder for its nonsegregation doctrines.

Action Overruled

In 1929 and 1946, the assembly approved admitting women as ministers but the local churches, which have the final word, overruled the action.

Dr. Lloyd also called for an increase in church pioneering throughout the world and in higher education.

Topic Given For Services

THE FACT that lasting beauty is gained through spiritual understanding of God's radiance and strength will be stressed at Christian Science services Sunday, when the lesson-sermon is entitled "Soul and Body."

The following verse from the Bible (Psalms 96:6) is included: "Honour and majesty are before him: strength and beauty are in his sanctuary."

From "Science and Health with Key to the Scriptures" will be read: "Beauty, as well as truth, is eternal; but the beauty of material things passes away, fading and fleeting as mortal belief. . . Immortality, exempt from age or decay, has a glory of its own, — the radiance of Soul."

The Golden Text is from Psalms (104:1): "Bless the Lord, O my soul. O Lord my God, thou art very great: thou art clothed with honour and majesty."

Services will be held at 11 a.m. at First Church of Christ Scientist, Stroudsburg.

Pocono Union Plans Services

SUNDAY SCHOOL will convene at Pocono Union Evangelical United Brethren Chapel, at 10 a.m. Sunday.

Immediately following the Sunday School session, the pastor, Rev. C. F. Spangenberg, who is fully ordained, an itinerant elder of the Evangelical United Brethren denomination, will conduct worship at 11 a.m. His message will be on "Christian Service."

BUDDY POPPIES SYMBOL OF A NATION'S DEVOTION

Emblem of the dead and dying on the fields of Flanders in 1918, the V.F.W. Buddy Poppy has been glorified by the American people as their "Flower of Remembrance."

Down through the years, ever since 1922 to be exact, the V.F.W. Buddy Poppy has given to all patriotic citizens—rich and poor alike—their chance to honor the dead by helping the living.

The annual sale of Buddy Poppies serves two great purposes. It fosters the beautiful custom of wearing these little flowers, once each year, in mute salute to the memory of America's honored dead; it provides the funds that are required to serve the daily personal needs of the nation's disabled and needy veterans, and their dependents.

There are millions of unfortunate veterans—as well as widows and orphans and dependent parents—who are unable to qualify for government aid.

Why? Mainly because the government itself—in time of war—has never been able to maintain accurate records on the physical welfare of each individual in uniform.

Through no fault of their own, these veterans—many of them the victims of the lingering effects of exposure, shock and malnutrition—are unable to qualify for help from their government because their service records fail to confirm the origin of their ailments.

Your support of the annual sale of Buddy Poppies makes it possible for the Veterans of Foreign Wars to maintain its great, nationwide program of free rehabilitation service to the millions of needy veterans.

Every dime or dollar which you may give in exchange for a Buddy Poppy goes into a special sacred fund—one that will be spent for nothing but the relief and rehabilitation of America's disabled veterans, and their needy loved ones.

Remember the dead who are buried near the battlefields where they died, or in our cemeteries here at home. Let's do them honor by helping the living!

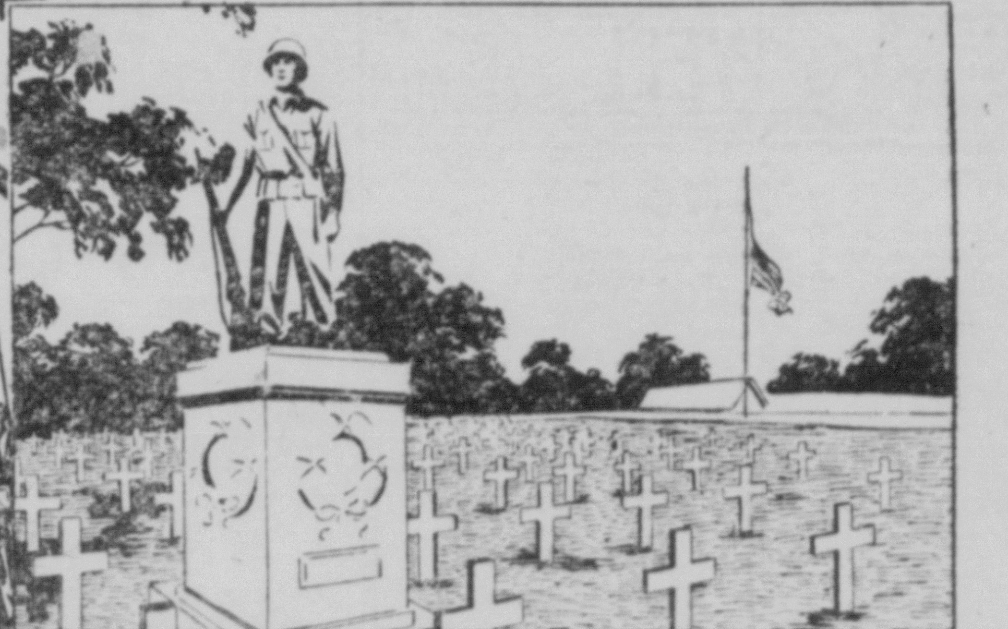
For the aid, relief and comfort of disabled and needy veterans, their dependents, or their widows and orphans.

For hospital entertainment, for needy veterans and service patients.

For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans at Eaton Rapids, Mich.

For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.

For necessary expenses for military funerals of deceased veterans.



For acquisition, improvement and maintenence of burial plots and the decoration of graves of veterans and servicemen.

16-Year-Old Boy Advanced To Rank Of Eagle Scout

NEWFOUNDLAND—Eagle Scout rank—Boy Scouting's highest honor—was conferred on Richard Uridel, son of Dr. and Mrs. Frank Uridel, at ceremonies in the high school auditorium here last night, Richard McLain, local scoutmaster, announced.

April 1955. Minisink district ad-career in scouting for the 16-year-old Greene-Dreher-Sterling High School sophomore, who only Thursday received the Bruce Slocum award as the outstanding scout in the Minisink district. He also has been named outstanding scout of his troop.

Richard Uridel

The presentation ceremony was in charge of H. R. VanDusen Jr., and Earl Brink, chairmen, respectively, of the Dan Beard Council and the Minisink district.

Dick's start in scouting was a slow one but once he had attained the first step upward he moved rapidly through the stages leading to the Eagle rank. He joined Troop 129 in February, 1950, and spent more than two years gaining second class ranking.

Many Awards

Less than a year later, however, Dick had earned both first class and Star rank, completing the necessary work in April, 1954. In November of the same year he was made a Star Scout and in for outstanding service to the vancement committee reviewed his qualifications and recommended the Eagle badge.

Dick has earned 23 merit badges. In addition, he also received the Ad Altare Die award given to boys of the Catholic faith for outstanding service te tho church program.

His district activities and scouting trips include one week at the Goose Pond Scout reservation, an Explorer Scout trip to the Naval Base at Little Creek, Va., a two-month stay at the Philmont Scout

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6 add 3. The result is your keynumber. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

The Leland Bakers Honored At Farewell Party

Swiftwater—Mr. and Mrs Leland Baker, who are leaving soon for Fort Dodge, Iowa, collected some more pleasant memories to take with them, when members of the St. Paul's Reformed Church held a hot dog roast at the parsonage in Tannersville, Wednesday night, in their honor.

Arriving for an evening's visit with Rev. and Mrs. Wm. Foose and family on the latter's invitation, they were surprised to find a host of friends there to greet them.

Throughout the party, Mr. Baker kept his camera busy, and everyone had an enjoyable time. Mr. and Mrs. Baker were presented gifts from the group, and the gathering was climaxed with the singing of songs, with everyone clasping hands in a circle.

Guests included: Mr. and Mrs. Russell Shick, Mr. and Mrs. Harry Heller, Mr. and Mrs. Clarence Werkheiser, Mr. and Mrs. Walter Rowe, Mr. and Mrs. Elmer Mader, Mr. and Mrs. Lewis Heckman, Mr. and Mrs. Francis Coffman, Mrs. Richard Leies, Mrs. Walter Davis, Mrs. George Hahn, Mrs. Pearl Werkheiser, Mrs. Arthur Kresge, Mrs. Ada Bates, Mr. and Mrs. Edward Metzgar, Mrs. LeRoy Kresge, Mrs. Elwood Warner, Mrs. Charles Metzgar, Mrs. Lucy Rowe, Miss Beatrice Bush, Walter Warner, Joyce Metzgar, Alice Rowe, Linda, Susie and Paulette Fretz, Joyce Shick, Brenda and Billy Coffman, Ruth and Betsy Metzgar, Robert, Margaret and Brian Foose, Mr. and Mrs. Baker, and Rev. and Mrs. Foose.

Just Between Us

—By Bobby Westbrook

Almost everybody had a late supper last night. If they weren't at either of the baseball games, they were out at Glen Brook watching Betty Hicks demonstrate golf as it should be played.

She's little and pretty and has a clever tongue — and can drive a golf ball a mile, well almost, and that seems almost too much for one person to have. Besides that she writes. I understand one of her articles is to be in Sports Illustrated soon.

Depending on your temperament that exhibition yesterday either inspired you to do better or to give up golf entirely. Unless, like me, you like to have an excuse for walking around the golf course because the company is fun and the scenery so pretty.

One of the brightest spots in the scenery yesterday were the Allan Keipers both in white jackets and brilliant red slacks and shirts. And for the duffers one of the brightest spots in the play was the one poor shot Betty Hicks made, the one into the creek on 13. And the reason they brightened up was because that's where their shots so often go.

"If there's any spot on the course where you customarily have difficulty," Miss Hicks explained at the outset, "just tell me and I'll try one from there." The only trouble with that idea was that her first shot always carried her far beyond all the places where most of us go into ditches or out of bounds.

You won't have any difficulty this weekend imagining yourself back about 30 years. SHS Class of '25 is coming to town for the reunion, so watch for familiar faces.

Business Womens Club Hears Yearly Report, Elects Officers

The Business and Professional Woman's Club at their meeting on Thursday night heard a summary of their year's activities and reelected their officers for another year with Miss Marie Brown, president; Mrs. Lulu Harvey, vice president; Mrs. Josephine McGowan, corresponding secretary, and Mrs. Frank Walker, recording secretary. New treasurer elected was Bernadette McDaniel.

Mrs. Anne George gave the report of the nominating committee, composed of Mrs. George, Mrs. Verna Tyreman, Mrs. Velma Lanterman and Mrs. Marjorie Hamblin. The officers were elected from a double slate of nominees.

In her summary of the year's activities, Miss Brown listed the contributions made during the year to Community Chest, Cancer, Red Cross, the Mother's March on Polio in the community and through their own organization, the Maxwell scholarship, the Foreign Exchange Student fund, the new national headquarters in Washington, D. C., and the Woman's Medical College.

One of the major projects of the club was the sponsorship of the Mother's March on Polio during which they raised $6,500 to surpass any previous records.

Another major community contribution of the club is its Educational Loan Fund on which the chairman, Mrs. Hilda LaBar reported.

Mrs. Evelyn Hastie, reporting for the membership committee, announced that the club now has a membership of 116.

Miss Brown also reported on the district meeting in Bloomsburg, and plans were announced for the summer meetings which will be held at resort houses managed or owned by BPWC members. The June meeting will feature installation of officers and will be held at the Pocono Chateau of which Mrs. Mildred Hoffstadt is manager. July and August meetings will be held at Bartonsville Hotel of which Mrs. Marie Cassati is co-owner.

Mrs. Marjorie Hamblin presided at the election and Mrs. Pauline Peterson was parliamentarian.

The state convention will be held June 23 through 24 at Bedford Springs.

To Vote On New Rebekah Home Site

Tannersville—The Elsie Longacre Rebekah Lodge met on Wednesday night, May 18, with a good attendance. There was considerable discussion of what vote the local lodge should cast concerning the relocation of the old folks Rebekah Home at Philadelphia.

There is to be a meeting at the Middletown Home on June 9, for the purpose of deciding the matter and each Lodge is asked to send a delegate. Mrs. Ruth Learn will represent the Elsie Longacre Rebekah Lodge. Final plans were also made for the card party which will be held June 1, at the Lodge Hall.

Housewarming At New Home Of The Fraileys

A housewarming at the newly-built Frailey home, 1536 Wallace St., Stroudsburg, last Saturday night, took Mr. and Mrs. Graydon R. Frailey completely by surprise. They received many gifts and refreshments were served.

Those present were Mr. and Mrs. Earl Learn and children, Anita and Eugene, Mr. and Mrs. Frank Gouger, Mr. and Mrs. Walter Decker and daughter, Cheryl, Mr. and Mrs. William Dildine and daughter, Susie, Mrs. Fred Coffman and daughters, Marion and Autumn Lee Coffman, Mr. and Mrs. Lorne Bachelder, Miss Mae Eschenbach, Mr. and Mrs. Dale Learn, Mr. and Mrs. Clinton Learn and daughter, Dawn Marie, and the guests of honor, Mr. and Mrs. Graydon Frailey.

Major Slider Visiting Here With His Family

Major Howard B. Slider II, his wife Jean and their five children are spending several days with Major Slider's father and mother, Rev. and Mrs. Howard B. Slider and with his sister and brother-in-law, Mr. and Mrs. Charles B. Schaller, East Stroudsburg.

During their visit, their infant daughter, Barbara Jean will be baptised by her grandfather, Rev. Howard Slider, assistant pastor of the Stroudsburg Methodist Church.

Major Slider has many friends in the community. He attended school in East Stroudsburg during the time his father was pastor of the East Stroudsburg Methodist Church. He also spent summers here while he was a student at the University of Pennsylvania medical school. Major Slider is presently stationed in Washington, D. C. and lives with his family in Arlington, Va.

The visit will unite three generations of Howards: Rev. Howard B. Slider, his son, Major Howard B. Slider II; and his grandson, Howard B. Slider III.

Garden Party Mon. To Be Held For Irene Cramer

The Women's Association of Allied Beverage Industries are holding a garden party on Monday, May 23, at 2 p. m. in honor of Mrs. Irene Werry Cramer. The party will be held at Blue Ridge Inn, Star Route, East Stroudsburg.

Mrs. Cramer is the newly-elected president of the organization, and the party will also celebrate her recent marriage.

Brownies Cook Supper For Their Fathers

Fathers of the Brownies of Troop 1 were the exclusive guests at a supper party planned and prepared especially for them on Monday evening at the Presbyterian Church. Invitations, place cards, entertainment and the menu were planned in advance.

During the regular afternoon meeting, the Brownie Scouts, their leaders and Mrs. Helen Dippre, a troop committee member prepared the dinner. Rose Marie Monatt, Debbie Shinn and Carole Gehris arranged the floral centerpieces. The Fly-ups who have been reviewing table-setting as part of their Tenderfoot test, arranged places and set the table; these were Gretchen Wyckoff, Florence Wolbert, Gail Godshall, Phyllis Munson, Beverly Foelker and Donna Edinger.

The guests were introduced to one another by their daughters, and then sang an action song—"My Goose." Supper was served by the Brownies and adult members of the troop. One of the highlights of the occasion was the surprise birthday cake for Parke Kunkle, for whom daughter Susan lighted the candles. All joined in playing a Donkey Race after supper, and the Brownies all agreed that fathers are fun.

Those present were John Foelker and Beverly, Darrel Gehris and Carole, Forrest Haney and Sue; John Kirk and Jane; Parke Kunkle and Susan; Alfred Munson and Phyllis; Francis Shinn and Beverly; John S. Shinn and Debbie; J. Charles Smith and Peggy Ann; William S. Wyckoff and Gretchen; Allen Zahorik and Dawn; Jeannie Ellen Bossler, Donna Edinger; Gail Godshall; Dale Vaughn; Florence Wolbert; and Rose Marie Monatt. Leaders of the troop are Mrs. Jefferson Ross and Mrs. Roger D. Acker. Troop members who helped the Brownies with the cooking, salad mixing and serving were Mrs. Helen Dippre, Mrs. Parke Kunkle and Mrs. Norman Vaughn.

Barrett Y Aux. Plans Card Party

Barrett—The Women's Auxillary of the Barrett YMCA has as its present project the purchasing of an electric scrubber and waxer for use at the Barrett Y by the house committee. At their meeting on Tuesday night in the Y building at Mountainhome, they planned a card party and bake sale for Friday, June 17, to raise money toward this project.

Mrs. Irene Siglin is chairman of the card party and Mrs. Glen Shaller and Mrs. Iva Rose of the bake sale.

The meeting opened with a reading by the chaplain, Mrs. Ethel Conley, "To Those Who Build." Several new members were welcomed at the meeting.

After the business meeting, the program committee presented the Kohanso Indian Group in a series of Indian dances. The boys in the group have been working for some time learning the dances and making their own costumes which are authentic as far as possible in detail. They have given successful performances before many local and county audiences. Their leader, Charlton Chopp, was narrator. The dancers were Frank Doll, Richard Heckman, Donald Shepard Jr., James Hardy and James Fish. Tracy Grey assisted in staging the dances.

After the meeting, refreshments were served by Mrs. Thelma Albert and Mrs. Paul Hawk.

Girl Scout Council Plans For Summer

Girl Scout camping plans, leaders training programs and standards, and coming activities were discussed at the meeting of the Girl Scout Council of Monroe County on Thursday night at Girl Scout headquarters.

Mrs. William G. Miller, retiring camp chairman, had sent a book of clippings concerning Camp Lloyd Treible from its inception. Tribute was paid to Mrs. Miller and other active chairmen who retired at the close of their term of office.

Mrs. Arlene Scharf, new camp chairman, announced that the pump had been installed, the new unit was almost finished, and that the driveway into the camp had been improved. The camp has been in use every weekend in May, she announced. The Line Material Company has donated a 30-foot flagpole for the camp which the company will install before Day Camp opens. The Day Camp has been extended an additional fourth week, she announced.

Mrs. Sonia James, calendar chairman, gave her report showing that $643.15 had been cleared from calendar sales, with the proceeds going to the camp fund.

Mrs. Thomas Larkin reported that $64.04 had been sent to the Juliette Low World Friendship Fund as well as 25 check-co's for Korea.

Mrs. Claude W. Leister, organization chairman, submitted several recommendations for leadership standards which are adopted by the board. Prospective leaders will be asked to have a two-hour orientation session with the executive secretary at the Girl Scout House before the training program. If they have previously served as Girl Scouts, one hour will be required. During that time they will become familiar with Girl Scout material, records and material available.

It was also recommended that Brownie troops have one Fly-up a year, preferably in the late Spring, and that the Brownies remain with their units until their new leaders are ready to receive them. The Brownies may be in 2, 3 or 4th grades and 7, 8 or 9 years old.

New leaders were approved including Jane Packard and Mary Banehof, who will be in charge of a new Brownie troop in Swiftwater; Mrs. Ralph Knox who will be assistant leader of Brownie Troop 45; Mrs. Ralph Arnold, assistant to Brownie Troop 7.

Mrs. Kennard Lewis, program chairman, reported that the Senior Girl Scouts had chosen August 8 and 9 as the date of their Appalachian Trail trip with Pat Dodson, Sue Wicks and Faith Chamberlain as planning committee.

Another summer activity of the Senior Scouts will be a trip to Nova Scotia which they will take as the guests of Ernest H. Wyckoff. Mrs. Wendell Wicks and Miss Anna Rousopolis will be chaperones. Scouts planning to go are Marie Cohen, Pat Dodson, Mary Beth Knepp, Faith Chamberlain, Sue Wicks, Jean Igler, Evelyn Parth and Christine Clark.

Girl Scouts have been invited to parade on Memorial Day.

Junior Band To Play For Music Parents

The Music Parents of Stroudsburg High School will hold its final meeting on Monday night when a program will be presented by the Junior Band.

During the business session, with Mrs. T. I. Metzgar presiding, there will be election of officers for the coming year and final reports of recent projects. Parents of children who will be in any of the musical organizations next year are invited to attend the meeting, to begin at 7:30.

County PTA Council Mon. At Coolbaugh

The Monroe County Council of Parents and Teachers will hold its final meeting of the school year on Monday night at 8 at the Coolbaugh Township High School, Tobyhanna. There will be election of officers for the coming year.

The program will be in the form of another clinic in which there will be cooperative discussion of any problems of any of the local units under the direction of Robert Hellmann.

140 Attend May Dinner Of Altar, Rosary Society

The eleventh annual May Dinner of the Altar and Rosary Society of St. Matthew's Roman Catholic Church was held on Wed. night, May 18 at the Bartonsville Hotel. There were 140 members and guests present.

Rev. H. G. Durkin, the moderator, gave the opening prayer.

Following the dinner, a short business meeting was held with Mrs. Adolph Oppel, presiding. Mrs. Henry T. Slaboski, May Dinner chairman, and her committee decorated the tables with May baskets.

Mrs. Arthur Blewitt, chairman of the auditing committee, gave the auditor's report. Mrs. Hazel Rau and Miss Lois Moore were, also, on this committee.

Mrs. A. M. Hickey, past president, installed the following officers: president, Mrs. Adolph Oppel; vice president, Mrs. Thomas Leonard; secretary, Mrs. Paul Kennedy; treasurer, Miss Clara Lombardi; financial secretary, Mrs. Josephine McGowan.

Mrs. Oppel introduced the following executive board: Past Presidents, Mrs. Harry Bush Sr.; Mrs. Henry Hefele, Mrs. William A. Hannas, who is also program chairman, Mrs. A. M. Hickey, Mrs. George Rung, and Mrs. Theo. Viechnicki; music, Mrs. Arthur Henning; altar, Mrs. Charles Grace; sick, Mrs. Gerald Shanley, Sr.; ways and means, Mrs. Francis McGarry; hospitality, Mrs. Truman Burnett; publicity, Mrs. John R. Hauser; membership, Mrs. Z. Viechnicki, for East Stroudsburg; and Mrs. Edwin Hermanns, for Stroudsburg.

Mrs. William A. Hannas, program chairman, presented the program which followed.

Miss Mary Alice Hankee and Miss Marion Kenan, students of Marywood College, Scranton, presented the musical portion of the program. Miss Mary Alice Hankee sang "Through the Years," "A Walk With God" from "The Student Prince" and "Desert Song." Miss Marion Kenan was her accompanist. Miss Kenan also played a piano selection entitled "Jealousy" by Gade.

Miss Marie Smith Myers, of Honesdale, was the guest speaker. Mrs. Myers is the writer of "Let's Do Something About It!", a column in The Catholic Light. She gave a talk based on a quotation from a radio talk given by Bishop Fulton Sheen, "Fling your weath, your possessions, your talents at the feet of the crucified Christ, like the soldiers playing dice," at the foot of the cross on Calvary, "and I guarantee you will win." She, also, explained about the devotion to the Pilgrim Virgin, which is sweeping the country.

Rev. H. G. Durkin thanked the Society for the work they have done.

In his talk he said, "Life was God's gift to you. What you make of that life will be your gift to God." He, also, said that even though this is the end of the year for the Society and vacation time starts "Christ takes no vacation; so don't neglect him during the summer months."

At the close of the dinner, the afghan which had been donated by Mrs. Mary Adams and Mrs. William A. Hannas was awarded to Mrs. Margaret Fish, East Stroudsburg. Mrs. Oppel thanked Mrs. Adams and Mrs. Hannas, and Mrs. Francis McGarry and Mrs. Charles Zateeny for the work which they had done on this ways and means project.

In addition to the committee members previously mentioned, the following assisted: Mrs. Arthur Blewitt, tickets; Mrs. A. M. Hickey, Mrs. Robert Ludgate, Mrs. Albert Zateeny and Mrs. Arthur G. Fry Jr., hostesses.

THE Wyckoff SHOPPER

He was a tall, slender man with a slight droop to his shoulders. One would have described him most accurately as "gaunt," I think. He was wearing a light tan suit and his manner was quiet, unassuming, and, one might almost have said, "eager to please." His eyes were brown and somewhat sad although they brightened whenever you smiled at him and he smiled back. His card bore a New York address and the name Fred Brighton, artist in oils.

Earlier in the day he had talked with Mr. Wyckoff and had sold him more than 100 original paintings which are now being displayed in our store. At the moment of our meeting, he was seated on a box at one end of my office holding a seascape upon his knee while Shorty Widmer busied himself with a camera.

Questioning brought forth the information that Mr. Brighton's rather charming accent came naturally. He was born in Czechoslovakia. Just what his age might be I wouldn't attempt to guess . . . he is one of that army of displaced persons who have seen, suffered, and survived far to much. Somehow it didn't seem fair, on a sunshiny spring day, when the laughter of passersby could be heard through the office window, to open old wounds. Ours, on this sunny day, was so obviously a land of the free, I had no wish to probe into unhappy memories.

I did learn that Mr. Brighton loved to draw and paint even as a very young boy in Prague. But it was not until he had turned twenty that he decided art would be his life work. He studied in Germany and, at the age of 27, opened a studio in his home city. Eventually success came, and the world seemed a rosy place. It is to Mr. Brighton's advantage that he can see beauty in almost everyone and everything, and can capture that beauty on canvas, regardless of whether he is painting still life, land, sea or portrait. He also has a decided way with color . . . a flair for vivid hues that are a delight to those who relish all things contemporary.

In 1939, Mr. Brighton left his homeland for England where he continued with his painting, gathering additional honors unto himself. Then, just seven years ago, he came as a displaced person to the United States where he established a combination home-studio in New York. He is the father of a son, who has married and also resides in this country.

After posing for his picture and talking for a little while, Mr. Brighton explained he must hurry away to prepare, with his wife, for their forthcoming trip to California. They expect to be enroute shortly and will remain there an indefinite time. How long? Well, if you pin him down, Mr. Brighton will say, "Just so long as there are things to paint." Which could be practically forever!

We wish him godspeed, and invite you to see his paintings, now on sale at Wyckoff's. Neatly framed, they are excellent buys at 5.98. Many of them are gay, vivid, and vibrant. But there are some that are filled with a wistful yearning—such as the portrait of famous sad-of-face Emmett Kelly, the clown. Whenever we see this portrait we think of Mr. Brighton's own sad brown eyes . . . and realize that here is a case where the artist's own life furnished the insight that helped to capture this priceless pathos in oil. May your California days be far more golden, Mr. Brighton, than the war-rocked days of the past!

Count Begins Of Votes Cast In Primaries

THE OFFICIAL count of primary election returns began at noon yesterday.

Associate Judges Homer A. Shupp and John Smith are serving as the returns board. The count will be a slow one this year, they indicated.

Primary reason for this is that many offices had no party candidates. Voters had to write the names of candidates in, therefore. In some districts all or nearly all township offices had to be filled by write-ins.

Earliest estimate on the completion date for the official count is Monday of next week. When counting stopped at 4 p. m. yesterday, the board had reached East Stroudsburg third ward.

Counting begins again this morning at 9 and ends for the day at noon.

Biologist Identifies Swarms Of Insects Noticed At Shawnee As Elm Leaf Beetles

DURING THE PAST week, residents of Shawnee-on-the-Delaware have been annoyed by swarms of insects clustering on the windows and walls, and flying about inside the houses. In some cases, they were found all through the house from the ground floor to the attic.

According to Dr. Clifford Webster, associate professor of biology at the East Stroudsburg State Teachers College, these insects are the elm leaf beetles." The beetles at this season are trying to get out of the house, and are not coming in. They entered the houses last Fall, and hibernated there during the winter months.

Adults Hibernate

This insect was introduced from Europe over a hundred years ago, and is now well established in the eastern part of the United States. The adults hibernate during the winter in barns, attics of houses, or sheltered places outdoors. They become active in the spring about the time the leaves appear on the elm trees, and fly to the elms to lay their eggs on the undersides of the leaves.

The eggs hatch in about one week, and the larvae feed on the underside of the leaves for about two weeks to one month, at which time they become full grown, and crawl to the lower parts of the tree or the gound to pupate. The pupal period lasts about ten days. The adults emerge, and the cycle is repeated to produce two generations in this area of the United States.

Preventive Steps

There isn't much that can be done about the beetles that are present now, but a recurrence of the problem next year can be prevented by spraying the undersides of the leaves with 50 per cent wettable DDT.

This chemical should be mixed at the rate of two pounds DDT to 100 gallons of water, and soybean flour added as a sticker. The lower parts of the trunk may be sprayed also to kill the larvae that come there to pupate. The spraying should be done soon after the first larval feeding is noted.

Frailey Funeral Services Held

FUNERAL services for Charles Frailey, late Minisink Hills postmaster, were held at 2:30 p. m. yesterday in William H. Clark funeral home.

Rev. Harold C. Eaton officiated. Interment was made in Prospect Cemetery. Pallbearers were J. Fred, Robert C. and Verdon Frailey, Ernest L., Kenneth and Quenton Price.

Serfass Funeral Rites Conducted

FUNERAL services for Mrs. Sadie Serfass, wife of John Serfass of Kresgeville, were held Thursday afternoon in the Gilbert Reformed Church. Rev. Ray Klingaman and Rev. G. R. Booth officiated. Interment was in Gilbert Cemetery.

Pallbearers were Jesse Serfass, Raymond Graver and David, William, Harry and Frank Burger. Kresge funeral home was in charge of arrangements.

Your Horoscope Today

By FRANCIS DRAKE

SATURDAY, MAY 21

March 21 to April 20 (Aries)—Industrial and mechanical trades, skilled labor and science can make reasonable gains now, but care is urged in dangerous jobs and extra patience will be needed if trying to persuade or sell.

April 21 to May 20 (Taurus) — This may be a difficult day unless you accent your innate dependability and perserverance. You can benefit through things you like or through your special skills.

May 21 to June 21 (Gemini)—Those in the jewelry, merchandising and banking businesses should be extremely accurate if they would attain now. Hardest matters to manage now will be purely mental work, journalism and kindred lines.

June 22 to July 23 (Cancer)—Your planet stresses a need for unusual energy and the best use of your talents if you would succeed now. Much can be done by clever thinking and calculation, however.

July 24 to August 22 (Leo)—Influences that tend to obstruct may delay progress. Some set backs will be unnecessary, however, if you think sharply and do the right thing FIRST. Be ready to take good advice. No worry or doubting though!

August 23 to September 23 (Virgo)—Marriage, general dealings with the opposite sex will require conscientious treatment. No recklessness anywhere! Accent steadiness, practical thinking and good will.

September 24 to October 23 (Libra)—This may not be as easy a day as you may assume. You can modify irritating influences with courage and cheerfulness, however. During the P.M. enlarge your social horizons. Be content, happy.

October 24 to November 22 (Scorpio)—Do not try to fight trends now. This day may call for extra effort, extra thinking in order to counteract poor judgment, action. Remember that willingness is okay, wilfullness taboo.

November 23 to December 22 —Sagittarius)—Go safely, slowly — especially in matters concerned with money and properties, others' affairs. Overlook incidental disturbances; make little of others' errors.

December 23 to January 21 (Capricorn) — This day may hold some irritation. Watch what you say, how you act. And that means YOU—not just the "other fellow." If you care about harmony and good results from efforts, cooperate NOW.

January 22 to February 20 (Aquarius)—A good day for revising outmoded methods and gathering more knowledge in your own line. Improve associations, too. Be guarded in answers where others are touchy.

February 21 to March 20 (Pisces)—Becoming upset because of adverses, when others needle you or otherwise becoming annoyed can put you "on a spot" now. Smile, be diplomatic.

YOU BORN TODAY are sturdy, dependable, loyal, devoted to loved ones, a fine companion when living up to your inborn best. You can be trusted in business, on any assignment. Stubborn at times, you can be reasoned with, however. You are innately fair, just; not afraid to try things but may hesitate through pride to ask advice when you should. You are not given to pettiness or complaining; are at your best when busy, cheerful. 1955's remaining months could be very profitable if you are patient, sagacious. East Stroudsburg Wins Baseball Championship, 4-1

Sommers Halts Hellertown On One Hit

A MASTERFUL one-hit pitching performance by Bill Sommers and some timely hitting by his mates carried East Stroudsburg High to its first Lehigh-Northampton League baseball championship as the Cavaliers fought to a 4-1 nod over Hellertown at East Stroudsburg Playground yesterday.

The win was the seventh in eight league outings for the Cavaliers and vaulted them into the District 11 playoffs that will begin sometime next week.

East Stroudsburg gave its ace right hander a working margin in the very first inning when three hits accounted for two runs.

Dick Gray, smooth operating second sacker, launched the offensive with one out when he lashed a curving line drive over third base that struck fair and then rolled into foul territory in deepest left field. By the time the ball had been retrieved, Gray had crossed the plate.

Sommers struck a blow in his own behalf as he followed Gray with a double inside third base. After Charley "Snook" Litts had been retired, Bob "Red" Kupiszewski picked on one of Joe McGoldrick's curve balls and drilled a single to left center to plate Sommers.

Lone Blow

Hellertown fought its way back into the ball game when Ed a towering home run into left field, Schrader, visiting first sacker, drove 350 feet from home plate. The ball became lost in the high grass and Schrader easily circled the bases.

This was the one and only hit of the ball game for Hellertown, who ate out of Sommers' hand the remainder of the distance.

The Cavaliers picked up another insurance marker in the home half of the second. Helmut Gartner walked with one out. Danny Marvin, subbing at first base for the injured Bill Pensyl, popped out to catcher Stan Lysek. Lysek, trying for a double play on Gartner, heaved the ball into right field and the East Stroudsburg runner raced into third base.

Gartner scored a moment later on the first of two singles by Gene Plaza.

Final Run

The final run of the ball game was credited to the Cavaliers in the bottom of the third. Sommers drew a life on an error and stole second as Litts went down on strikes. Kupiszewski was safe on an error and Sommers tallied on the play.

Sommers retired 15 batters on strikes, fanning the side in the sixth and seventh innings. The senior right hander appeared to grow stronger as the game progressed, even though he hit two batters in the sixth. Sommers was guilty of giving up only one walk.

McGoldrick turned in a creditable seven-hitter for Hellertown, while striking out six and walking only one batter.

Plaza and Sommers, each credited with two hits, were the only batters in the ball game capable of accounting for more than one safety.

In addition to the 15 strikeouts registered by Sommers, five Hellertown batters were retired on infield plays and only one fly was hit to the outfield.

Wilson Borough was the only Lehigh-Northampton League team to defeat East Stroudsburg this season and the Warriors turned the trick on Tuesday of this week, also by a 4-1 count. Eastburg has won over Parkland, Nazareth, Coplay, Bangor, Pen Argyl, Fountain Hill and Hellertown.

Strouds To Oppose Johnsonville As Bi-State Baseball League Launches Initial Campaign

BASEBALL FANS in a two-state area will receive their first look at the Bi-State League tomorrow when the circuit opens its gates on two fronts for the first time.

Each of the contests are slated to get underway at 2:30 p.m.

Opening day activity will send the Strouds against Johnsonville, at Portland, while Roseto and Blairstown match ability on the New Jersey club's home field.

Portland, the fifth entry in the field, drew a bye on opening day.

Manager Frank Radler announced last night that the Strouds would depart for Portland at 12:45 p.m. tomorrow.

The veteran pilot said last night that he hadn't decided on a starting lineup for the first game of the season, but that such outstanding material as John Whitehead, assistant basketball and football coach at Stroudsburg High; Danny Eppley, Randy Morris, Bill Frear, Harold Johnson and several others were available.

Paul "Doc" Lim and Dave Nevil, outstanding members of the Stroudsburg High baseball club that finished second in the final standings of the Lehigh Valley League, will also break into the Strouds' lineup today.

Several members of the East Stroudsburg High diamond squad will also play with the Strouds as soon as the Cavaliers finish with the District 11 playoffs.

Roseto and Johnsonville clash at Portland in a twi-light tussle next Wednesday, while the Strouds play Portland the following night, on the latter's home field.

Phils Extend Dodgers' Loss Streak To Four Straight, 53

BROOKLYN, May 20 (AP)—The Philadelphia Phillies, who had lost 15 of their previous 16 games, showed the Brooklyn Dodgers they were not ready for the grave yet by pasting Walt Alston's operatives 5-'tonight.Theloss was the fourth in a row for the National League leaders.

Robin Roberts, who now has won exactly half the Phillies' 10 victories date, turned in the triumph. He never was in serious trouble as his mates gave him a three-run bulge in the first three innings, tapping Billy Loes for two in the second and another pair in the third.

Except for Roy Campanella's home run with none on in the second, Roberts held the Brooks well in check. Even their third run in the seventh inning was unearned, coming as a result of a bad throw by Granny Hamner.

Two Tallies

The Phillies got their two in the second when Earl Torgeson walked, and went to third on a double by Willie Jones. Then Andy Seminick sent them both across with a long double.

In the third Loes, who was charged with his second loss, had his own wildness to blame. He walked Richie Ashburn, who promptly went to third on a double by Peanuts Lowrey. Ashburn scored while Pee Wee Reese was throwing out Hamner and Del Ennis sent Lowrey across with a single.

Turley Wins Seventh With Relief Aid

NEW YORK, May 20 (AP)—Bullet Bob Turley, still unable to control his wildness, needed relief help to pick up his seventh victory tonight as the New York Yankees defeated Baltimore 7-5. The strong-armed righthander left in the sixth inning after walking nine and striking out only three.

Turley, who leads the majors with 72 strikeouts for the season, pushed his bases-on-balls total — highest in the Aemrican League—to 53 by walking the four men he faced in the sixth inning.

Scoreless

That forced in the third Oriole run and sent Turley to the showers. Before reliefer Jim Konstanty got the side out, Baltimore scored two more to edge to within one run of the Yanks at 6-5.

But from there on, Konstanty and Bob Morgan kept the Orioles scoreless.

Cubs Dump Braves

MILWAUKEE, May 20 (AP) — Rookie Bob Speake's 10th inning home run off Warren Spahn made the Chicago Cubs 4-2 victors over Milwaukee tonight and kept the Cubs right behind the second place New York Giants.

Kansas City Blanks Sox Behind Ditmar

CHICAGO, May 20 (AP)—Art Ditmar tossed a brilliant two-hitter tonight to lead the seventh-place Kansas City Athletics to a 1-0 victory over the Chicago White Sox.

The 26-year-old righthander, wearing a white sweatshirt which brought a temporary protest from Sox Manager Marty Marion, did not allow a Sox runner to get beyond first base.

No Protest

Marion at first protested Ditmar's wearing a white shirt but later withdrew the protest.

The A's were not very productive in the run department either but managed to score the winning run in the first inning on singles by Enos Slaughter and Vic Power and a sacrifice fly.

Allentown Driver Among Best In '500' Trials

INDIANAPOLIS, May 20 (AP) — At least eight drivers looked ready today to run in the 140-mile-an-hour bracket tomorrow in next-to-last time trials for the 39th 500-mile auto race May 30.

Only Jack McGrath, who set an Indianapolis Motor Speedway record of 142.58 last Sunday, ever passed 140 before this year. Five drivers did it in opening trials last weekend.

Hot driver-car combinations in practice this week have included Art Gross of LaPorte, Ind., former national midget champion, in the new Belanger 99, and Jim Rathmann of Miami, in the streamlined, two-way, radio equipped Belond-Miracle Power Special.

Pat O'Connor of North Vernon, Ind., in the Amsted-Rotary Special, and Bob Sweikert of Indianapolis in the Zink Special, have been running well.

Others around 140 in practice include Don Freeland, Los Angeles, in the Bob Estes Special; Cal Niday, Pacoima, Calif.; D-A Lubricants Special, and Pat Flaherty, Chicago, the Dunn Engineering Special.

Al Herman of Allentown, Pa., who has never started in the "500" has been over 140 in the Martin Brothers Special.

Giants Slap Pirates On Taylor's Homer

PITTSBURGH, May 20 (AP)—Bill Taylor hit a pinch-hit homer with two men aboard in the ninth tonight to break a tie and give the New York Giants a 6-3 victory over the Pittsburgh Pirates.

The blow, on the very first pitch by Max Surkont, sent the Pirates to their eighth consecutive defeat—equalling their longest losing streak of the season.

In the seventh inning, the Giants came from behind to score two runs and forge a 3-3 tie.

The victory was credited to Hoyt Wilhelm, veteran knuckleball artist who relieved starter Johnny McCall in the fifth when the Pirates scored one run. Marv Grissom hurled the ninth after Taylor hit for Wilhelm. He struck out two of the three men he faced.

Control Trouble

Surkont gave up only five hits but had trouble with his control. He gave a walk to Dusty Rhodes after one man was out in the ninth. He settled down to get Whitey Lockman on an outfield fly but walked Ray Katt to set the stage for Taylor's blast.

The Giants took a quick lead in the second inning on Hank Thompson's sixth homer. The Pirates bounced back in their half with two runs on an error by Thompson, singles by Gene Freese and Preston Ward and an infield out.

The final Pirate tally came in the fifth on a single by Surkont, a double by Dick Groat and a sacrifice fly by Roberto Clemente. Wilhelm came on to pitch to Clemente and didn't give up a hit the rest of the way.

U. S. Crushes British Hopes

ST. ANDREWS, Scotland, May 20 (AP) — America's unquenchable young amateur golfers crushed Britain's hopes of winning the Walker Cup today when they swept all four of the opening day's foursomes matches in the 15th international team competition.

This totally unexpected triumph sent the United States into tomorrow's singles needing to win only three of eight matches in order to retain the trophy. It was a crushing setback for the British team, regarded as the strongest of the post-war era.

Although the Americans had been slight favorites to win the Walker Cup for the 14th time, nothing like today's sweep was foreseen. The Britons, more accustomed to foursomes play and to the vagaries of St. Andrews weather, had been expected to show their best today.

Scores

Only the top American team, Harvie Ward of San Francisco and Don Cherry of Wichita Falls, Tex., had to go the full 36-hole distance over the windswept 6,936-yard Old Course of St. Andrews. They rallied at the finish to down Ireland's Joe Carr and England's Ronnie White, the best of the British amateurs, 1 up.

Billy Joe Patton, from Morganton, N.C., and Dick Yost of Portland, Ore., turned back Gerald Micklem of England and John Llewellyn Morgan of Wales, 2 and 1.

Portland's 21-year-old Bruce Cudd and Jim Jackson of St. Louis routed the Scottish team of David Blair and Robin Cater, 5 and 4.

And Joe Conrad, 25, an Air Force lieutenant from San Antonio, Tex., and Dale Morey of Indianapolis turned back 'an Caldwell and Ernest Millward of England, 3 and 2.

Pocono Ties For County Title, 4-2

POCONO PINES—Pocono High pulled into a two-way tie for first place in the final standings of the Monroe County Baseball League yesterday by coming from behind to register a 4-2 decision over Tobyhanna Township, here on the losing club's home field.

The win was the seventh in eight outings for Pocono and enabled the charges of Coach Harry Werkheiser to tie Chestnuthill for the number one spot and force a playoff to determine the 1955 champion.

A playoff is expected to take place sometime next week. An announcement will probably be made sometime Monday.

Yesterday's contest was tied at the end of the regulation seven inning, 2-2, before Pocono pulled the important xverdict out of the fire. Yesterday's overtime battle marked the second time this season that these two rivals have been forced to play eight innings to settle their diamond arguments. The first meeting between these two teams this year, at Tannersville, also went eight innings before Pocono could gain a 7-6 verdict.

TTHS demonstrated that it meant business when the host aggregation broke a scoreless deadlock with two counters in the bottom of the third. Harry Costanzo walked and brother Willard, who lashed out three hits in a losing cause, tripled to plate Harry. Phil Coberly was charged with an error on a roller by Tom Meekes and Wiard Costanzo scored.

First Marker

Pocono got one run back when Stan "Chic" Roeber was hit with a pitch. Bob Starner, Pocono's hitting hero al afternoon, followed with a double to score Roeber.

The visiting contingent evened matters in the sixth when Bob Starner lined a single to center and kept on running to the plate when Joe DeSanto allowed the ball to get by him.

All was quiet until the eighth when Doug Neison singled for Pocono and moved to second when Roeber was hit by a pitched ball for the second time in the contest. Neison and Roeber worked the double steal and then both raced to the plate as Bob Starner executed a perfect squeeze bunt for the deciding counters.

Larry Butz won his seventh game of the season while fanning 14 and walking six batters. Willard Costanzo came up with another masterful pitching performance in defeat as he struck out 11 and walked only two.

Pocono banged out eight hits, while TTHS was credited with five safe blows.

Kellert Suffers Broken Nose

BROOKLYN, May 20 (AP)—Frank Kellett, Dodger utility man, suffered a broken nose when he was hit by a ground ball off Jackie Robinson's bat during batting practice before tonight's game with the Phillies.

Tops List

Kellert, leading Brooklyn pinch-hitter, played first base in the final game at St. Louis and hit two doubles.

The bone was immediately set and he was not expected to be out of uniform for more then a few games.

Tigers Pound Indian Pitchers

DETROIT, May 20 (AP)—The Detroit Tigers routed their old nemesis, Bob Lemon, and went on to trounce the League leading Cleveland Indians 11-4 tonight before a wildly cheering crowd of 50,004.

Five unearned runs in the seventh broke open what had been a nip and tuck battle.

Crimson Hose Fall Before Senators, 3-1

WASHINGTON, May 20 (AP)—Bob Porterfield and Johnny Schmitz combined to restrict Boston to six hits tonight as Washington defeated the Red Sox 3-1. Porterfield, who won his fifth decision, was forced to retire after five innings when his right arm stiffened after being hit by Billy Klaus' line drive in the second inning.

The Senators clipped loser Frank Sullivan for two runs in the second inning after Carlos Paula singled and Tom Umphlett doubled. Tony Roig's grounder to second baseman Billy Goodman scored Paula, and Porterfield's single to left scored Umphlett.

Counter

Porterfield, who held the Red Sox to two hits before departing, was nicked for a run in the fourth inning when Gene Stephens walked went to third on Norm Zauchin's single and scored after Jackie Jensen flied deep to Umphlett in left.

The Senators scored in the fourth after Paula singled to center. Umphlett grounded to Klaus, but the third baseman threw wild into right field attempting to force Paula at second base. Paula continued to third on the error and came across on Juan Delis' single to right.

Redlegs Snap Cardinals' Streak

CINCINNATI, May 20 (AP)—Cincinnati scored six runs on two hits in the eighth inning tonight to rout St. Louis 10-7 in the first of a four-game series. The fabulous eighth inning, powered by a grand slam home run by "Smoky" Burgess, gave the Reds their biggest inning so far this season and boosts their win streak to four.

The defeat snapped a five-game win streak for the unlucky Cardinals.

Turner, Fuentes In Draw

NEW YORK, May 20 (AP)—Ramon Fuentes and Gil Turner fought head to head for 10 stirring rounds tonight to finish all even in a draw at Madison Square Garden. Fuentes weighed 155¾, Turner 154½.

The small crowd jeered the vote of Referee Al Berl for Turner by a 5-4-1 score and sat in silence when the 5-5 card of Judge Frank Forbes was announced. They let out a cheer on word that Judge Joe Agnello had scored it 7-3 in favor of Fuentes. The AP card also had it 7-3 for the 8 to 5 underdog from Los Angeles. A quick poll of the newapapermen at ringside showed seven of eight had Fuentes on top.

Tough Choice

From this particular vantage point it seemed that Fuentes paced himself to ride out Turner's wild bursts and flared back with solid rallies. Apparently the officials who gave it to Turner or called it even gave more credit to the Philadelphia Negro for his superior punching power.

RILEY

By JIM RILEY

WEDNESDAY'S banquet by the Varsity "S" Association, a name made official at its most recent meeting, on the surface was just the fourth annual affair of its kind sponsored by the club. True, it was more informal, more palsy-walsy and more down to earth. But on the top layer it was much like all the rest. Yet, under close examination it could have been the stepping stone to bigger things for a club that has developed a new look or a new spring.

To tell the story behind what I like to term the "new" Varsity "S" Association, maybe we better attack the situation in a backward manner—a common practice for the guy who throws this jumble of words together each day. The Varsity "S" outfit will begin a new fiscal year in July and when members of the club make the big turn, they can look back on a truly good 12 months of work. Officers now at the helm can turn over a bank account and plans on which much work has already been accomplished.

When "Woody" Fisher, secretary-treasurer of the organization at the present time, took over the books last year he found one cent in the bank balance and several outstanding bills. Now the club will close the same books on its latest fiscal year with something like $100 to the good and all bills settled. The club won't have one penny of debt, even though it gave out 50 free meals at its banquet this week and bought jackets for the 17 graduating lettermen at Stroudsburg High.

The Varsity "S" membership raised over $800 during the past year and used the money to cover its various expenses and to clean the board clear of debt. "Jimmy Carter" Day, the invitation basketball tournament, the presentation of Dr. Ernst, the hypnotist, the Alumni basketball game and the banquet brought in all this revenue. The money was handled expertly by Fisher, the club worked hard and the membership stuck together like two wet envelopes as the organization slowly mounted the stage of success.

Instead of being broke and disarranged as the organization has been in the past following the spring banquet, the present edition of the Varsity "S" organization is stronger than at any time in the past year. The treasury cupboard isn't bare and interest is on the upswing rather than a down hill path that always spells danger. The organization on Thursday approved its new constitution and by-laws and is now anxiously looking forward to the election of new officers next month.

Tom Somers worked long and hard to make the new constitution and by-laws a reality. Ed Jennings and Sam Everitt, the latter finishing his term as president, have given of their time without complaint to keep the ball rolling and nobody will ever forget the truly outstanding job that Warren "Mag" Loney did on the invitation basketball tournament and the banquet. There have been other workers behind the foot lights, unnoticed and unrecognized, but certainly not forgotten.

The Varsity "S" Association is about to embark on another 12-month cruise, with big plans and lots of energy. The waves of discouragement will be high, but one gathers from recent action that the good ship Varsity "S" is capable of weathering any storm that may be placed in its path. The rough waters are really behind the organization now, and with plenty of work and cooperation the good sort of success should be reached without too much trouble.

Now the Varsity "S" Association is in a position to join with the Varsity "E" Club to educate the adults of the area. Each of the athletic clubs, located in rival boroughs but shooting for the same goal, has learned that the youth of our area understands the importance of athletics and the fight to improve the situation right here in our own backyard. Now the clubs must educate the adults, who for some unknown reason have a disinterested attitude.

A club house and an annual scholarship are two of the distant aims of the Varsity "S" group. These goals at the present time may sound comparable to a trip to Mars, but actually they can be reached without the use of a rocket ship. Hard work, cooperation, attendance at meetings, support of local athletic teams and a push in the right direction when the going gets tough can be very easily mixed into a machine that can carry the organization to any goal it might set for itself.

Northampton Trips Stroudsburg For Lehigh Laurels

Four Runs In Sixth Fail Mountaineers

NORTHAMPTON — Stroudsburg High's brilliant uphill fight came to the end of the line yesterday when a four-run rally in the sixth frame failed to turn the tide of battle and Northampton rolled to the Lehigh Valley League baseball championship with a 6-4 decision over the Mountaineers. The game was played here on the home field of the winning contingent.

Stroudsburg, forced to fight from behind all season after dropping the opening game of the campaign to Palmerton, found the role similar yesterday as the visiting club had to battle from behind all afternoon after Northampton scored three times in the first inning.

Frank "Buddy" Radler, who suffered his first loss of the season, gave up a double to Bob Santo in the initial frame. Dick Reimer scored the home town left fielder with a single and Hoffman drilled a single to left which got by Tom Metzgar. Reimer scored on the play and Hoffman moved into third. He scored a moment later on an infield roller by Ray Reimer.

Radler set down the opposition through the next two innings without a run, but the Konkrete Kids, who completed the season with a prefect record of seven wins and no defeats, picked up three more counters in the fourth.

Singles by Ray Reimer, Phil Bollman and Kleintop plus an outfield fly and an error, gave the home standing Northampton three more tallies and vaulted the Konkrete Kids into a lead they never relinquished.

"Red" Kleintop, Northampton pitcher, had a no-hitter in the making until Radler lashed a single to center with two outs in the bottom of the fifth frame, but the hard working southpaw hurler died on first base.

Stroudsburg made its only offensive showing of the day in the visiting half of the sixth, when the Mountaineers threatened to pull the verdict out of the bag.

Four Runs

Paul "Doc" Lim and Dave Nevil worked Kleintop for succesive walks with one out. Wallie Adelmann singled to plate Lim with Stroudsburg's first run. Nevil and Adelmann raced home as Doug Nichols unloaded a mighty triple to make the score read 6-3.

Dick "Pickles" Hintze followed with a single to score Nichols, but the Mountaineers could never make up the two runs still remaining as Francis "Fritz" Hasara and Radler were retired to end the frame.

The Mountaineers put on a mild threat in the final inning after two were out. Lim walked and Nevil singled, but Adelmann went down on strikes to end the long awaited battle.

Radler struck out three and walked only one batter, while Kleintop set nine Mountaineers down via the strikeout route and walked six.

By winning Northampton earned the right to take part in the District 11 Pennsylvania Interscholastic Athletic Association playoffs.

Hicks Entertains Large Crowd At Glen Brook Country Club With Clinic, Exhibition Match

MISS BETTY HICKS, one of the outstanding women professional golfers in the country today, entertained a crowd of over 100 people with an exhibition match and golf clinic at Glen Brook Country Club yesterday afternoon.

The crowd received a thorough instruction on each club in Miss Hicks' bag. Proper grip, correct time to use a certain club and all the ins-and-outs of golf were covered in the clinic that lasted for approximately one hour.

Miss Hicks coupled her demonstrations with a fine lecture during the clinic session. She completed the clinic by answering questions from the gathering and many times displayed the people the correct answer to their queries with perfectly executed shots.

The visiting golfing dignitary wound up the program by playing a nine-hole exhibition with Tony Midiri, Glen Brook pro, and Harold Storm and August "Augie" Lockwitch, two of the outstanding amateurs in the vicinity.

Midiri and Miss Hicks scored a three and two victory.

Miss Hicks shot a sparkling 38 over the 37 par back nine at Glen Brook, while Midiri fired a 36. Storm shot a 40 and Lockwitch a 38.

The visiting professional thrilled the crowd with her tremendously long drives during the exhibition.

Miss Hicks answered questions and demonstrated shots almost the entire time it took to cover the nine-hole schedule.

Local Club To Take Part In Matches

THREE REGULAR matches and one playoff date have been listed for the Lehigh Valley Golf Association team match season, it was revealed yesterday.

Glen Brook Country Club, Stroudsburg, is one of eight clubs included in the association.

On Saturday, June 4, Glen Brook will oppose Brookside, while Lehigh Country Club meets Harkers Hollow, Locust Valley battles Green Pond and Municipal Golf Club tangles with Mahoning Valley.

Saturday, June 11 will feature Lehigh against Glen Brook. Green Pond will oppose Brookside, Harkers Hollow will face Municipal Golf Club and Locust Valley opposes Mahoning Valley.

Final Match

The final regular season match is slated for Saturday, June 25. The schedule for this date pits Glen Brook against Municipal Golf Club, Locust Valley against Harkers Hollow, Brookside will face Mahoning Valley and Lehigh will play against Green Pond.

A playoff between the two top teams for the championship will be held on Saturday, July 9.

Each team consists of eight players. Half the team will play on the rival course and the other half at home on dates listed for the matches.

Tee-off time for each of the matches is 1 p.m.

It was announced by Edward S. McGinley, chairman of the tournament committee, that a new deadline date for entries in the ladies tournament at Brookside has been set as Thursday, June 23. The previous date was Saturday, June 25.

Lafayette Lists Basketball Coach

EASTON, May 20 (AP)—George Davidson 29, basketball coach at Germantown Academy for the past two years, today was named basketball coach at Lafayette College. He succeeds Bill Van Breda Kolff, who resigned last month to take a similar job at Hofstra College.

Davidson was a basketball and baseball star at Lafayette for three years before his graduation in 1951.

ESSTC Ends Diamond Season Against Rider College Today

EAST STROUDSBURG State Teachers College will close the books on one of its most successful baseball campaigns in history today when the Warriors play host to Rider College on the Normal Hill field. The first pitch is scheduled to take place at 2 p.m.

The Warriors will strut their stuff in front of a large Alumni Day crowd and will be out to entertain the old grads with the team's ninth favorable decision of the current campaign.

ESSTC has dropped only two decisions this season.

The Warriors own two verdicts over Kutztown, a pair over Lincoln University and single decisions over Millersville, Trenton, Wilkes and Fairleigh-Dickinson. The pair of setbacks were inflicted by Panzer and Wilkes.

Anxious

Coach George Ockershausen has never led an ESSTC baseball team to victory over Rider, one of the local school's arch rivals.

Ockershausen and his pupils are most anxious to wind up the current campaign with a favorable verdict over the invader from Trenton.

The ESSTC coach is expected to send Jim Pasaro, who will be playing his final game for the Warriors, to the mound against the powerful Rider club. Pasaro, a highly regarded right hander, is unbeaten this season.

Other seniors playing their final game for the Warriors today will be Bob Hartman, first base; Carmen Martucci, third base, and Charley Shaw, center field.

The remainder of the home town lineup will feature hard hitting Guido DiTorrice in the role of catcher; Dave Smith, second base; Denny Roth, shortstop; Walt "Skeets" Jubinski, left field, and Stroudsburg's Jack Newell, right field.

Returning members of the Alumni will make today's crowd the largest to watch a baseball game on the Normal Hill field this season.

Long Island Return To Court

BROOKLYN, May 20 (AP)—Long Island University, one of the schools rocked by the 1951 basketball scandals, will return to the game in the fall of 1956, Adm. Richard L. Conolly (ret)., president announced tonight.

Speaking at a dinner sponsored by former LIU athletes, Adm. Conolly said he would not permit the team to enter into high pressure basketball that brought it prominence for two decades.

Two Fight Pilots Suspended

NEW YORK, May 20 (AP)—Bill Daly and Tex Pelte, former co-managers of welterweight Vince Martinez of Paterson, N. J., were suspended today by the New York State Athletic Commission at an inquiry into an alleged managerial boycott against Martinez.

Julius Helfand, chairman of the commission, said the hearings would be concluded Monday when the "loose ends" of the inquiry will be cleaned up. He said no commission action would be taken until the complete transcript of the testimony had been reviewed, probably about June 13.

Martinez had been idle since December and the commission has been trying to find out if the International Boxing Guild, an organization of fight managers, has "grounded" the boxer because he broke away from Daly, who is treasurer of the IBG.

Daly and Pelte had appeared at yesterday's session with their newly-hired lawyers and refused to testify on the grounds they hadn't had time to read the evidence. Helfand warned both to be back for today's session.

After waiting 20 minutes, Helfand called both Daly and Pelte and sent Marty Moore, his chief inspector, out in the hall to page both men. Then he announced the suspensions "because of actions detrimental to boxing."

Pocono Little League Opens Season Today

TANNERSVILLE — Pocono Little League will hold an opening program here today, during which all six teams in the circuit will see action.

According to plans announced by George Manos, secretary-treasurer of the circuit, an opening day parade will take place at 1:30 p. m. The line of march will be from the Pocono Township Fire House to Pocono High School, where the game will be played.

The parade will feature fire trucks and a police escort.

Plans

Names of eams will be pulled form a hat prior to starting the game. The order of play will be marked on the slips and will determine the opponents. Each team is scheduled to play two innings.

The Pocono Little League will feature six teams for the first time this season. Entries include Barrett Lions, Barrett Rotary, Tobyhanna, Mount Pocono Rotary, Pocono Lions and Tanersville.

Actual league action will get underway on Monday when Barrett Lions and Barrett Rotary clash on Siglin Field, Mountainhome, Mount Pocono invades Tannersville and Pocon Lake plays at Tobyhanna. Each tussle is slated for 6 p. m.

Tannersville's new field will be ready for action on Monday.

Double Entry Heads Field

CAMDEN, N. J., May 20 (AP)—Mrs. Ethel D. Jacob's entry of Joe Jones and Paper Tiger head a field of nine middle distance racers in tomorrow's renewal of the $30,000 added Camden Handicap at Garden State Park.

The Jacob's entry is expected to go postward for the nine furlong event as a 5-2 favorite.

Moorestown, Kunkletown Risk Undefeated Baseball Records

MOORESTOWN and Kunkletown, the only undefeated teams in the Pocono Mountains Baseball League, clash head-on in the headline attraction listed by the circuit for tomorrow afternoon.

Both Kunkletown and Moorestown will feature records of three wins and no defeats when they match ability on the Kunkletown field. Each is tied for first place in the current PML standings.

Winless Reeders and Saylorsburg, a club with a mark of two wins and one setback, will battle it out on the latter's home filed. Reeders has lost all three of its outings to date.

Either Bushkill or Analomink will break into the win column for the first time tomorrow when the two winless clubs collide at Reeders, where Analomink plays its home games. Each club has tasted defeat on three occasions.

West End A. C., the surprise team of the current campaign, will collide with Barrett, on the Barrett High School field in Canadensis. Both Barrett and West End currently sport records of two victories and one setback.

Last, but far from least, on today's list is the tussle between Lake Harmony and Tannersville, on the latter's home terrain. Lake Harmony has won two of three games, while Tannersville owns a mark of one victory and a pair of setbacks.

Each of the contests are slated for 2 p. m.

Tobyhanna Battles Daleville

TOBYHANNA — A victory tomorrow will enable Tobyhanna to even its baseball record in the Pocono Mountains Association at two wins and a pair of defeats.

But, the Tobyhanna contingent has picked a tough nut to crack in opposing Daleville, here on the Coolbaugh High field.

Daleville is currently tied for first place with Moscow in the standings, each sporting records of three wins and no defeats.

Quest

Moscow will go in quest of its fourth win while playing host to Gouldsboro, a club with two wins and one loss.

Mount Cobb and Hamlin, both losers of all three games played to date, will battle at Hamlin.

Action is listed for 2:30 p.m. on all fronts.

Little League Practice

STROUDSBURG Little League will hold a practice session at Stroudsburg Playground today at 10 a.m. Players will be informed at this time as to what team they will campaign with during the coming season.

Work Slated Tomorrow

MOUNTAINHOME — Work will continue on Siglin Field, home of the two Barrett entries in the Pocono Little League, tomorrow. Work is scheduled to get underway at 9 a.m.

Questions and Answers
about NEWSPAPER ADVERTISING

Q. What are the 3 most important rules for profitable newspaper advertising?

A. 1. Your advertising message should be newsy, friendly, informative, easy to read. Give facts and news about your merchandise and service.

2. Advertise regularly. Make your advertising do what successful salesmen do—call on customers and prospects consistently.

3. Insist on audited circulation reports that give you the FACTS about the audience that your sales messages will have when you buy newspaper advertising.

Q. Is there a measure for the value of newspaper circulation to an advertiser such as the standards a merchant uses in buying merchandise—for example, like STERLING on silver?

A. Yes—in the well known circulation standards of the AUDIT BUREAU OF CIRCULATIONS.

Q. What is the A.B.C.?

A. The A.B.C. is a cooperative, non-profit association of 3,450 advertisers, advertising agencies and publishers in the United States and Canada. Organized in 1914. Brought order out of advertising chaos by establishing a definition for paid circulation, rules and standards for measuring, auditing and reporting the circulations of newspapers and periodicals.

Q. What does A.B.C. do for me?

A. At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of the circulation records of each publisher member. The results of each audit are published in an easy-to-read A.B.C. report for your use and protection when you buy newspaper advertising.

Q. What are the FACTS in A.B.C. reports?

A. A.B.C. reports tell you how much circulation, where it goes, how obtained and other FACTS that help you buy advertising as you would make any sound business investment—on the basis of known values and audited information.

Q. Are all publications eligible for A.B.C. membership?

A. No. Only those with paid circulation. This is important to advertisers because it is evidence that the paper is wanted and read.

Q. Is this newspaper a member of the Audit Bureau of Circulations?

A. Yes. We are proud of our circulation. We want you to know the FACTS about the audience your selling messages will have when they appear in these pages. Ask for a copy of our latest A.B.C. report.

Large Number Of Scouts Given Awards

A POCONO District Boy Scouts "Court of Honor", was conducted last night in the main courtroom of the Monroe County Court House.

Honor awards went to more than 40 Scouts from this area. The program opened with an invocation by Rev. William Wunder, and the Pledge to the Flag by John Regina.

William Hamblin gave the Scout oath and the candle ceremony. The main address and presentation of awards was made by Maurice Stieble, Easton Scouting leader. Rev. John Esseff gave the benediction.

Cub Scouts Recipients Of Awards

DELAWARE WATER GAP — Graduation and awards marked Cub Scout night for Pack 28, Thursday night, when they met in the Kulp Scout Hall. The graduates from Cub Scouts to Boy Scouts were Peter VanHorn, Allen Bryfogle, Robert Ace. They received a certificate and mechanical pencil.

Willard Jennings, cubmaster, and Oliver Nordmark, assistant cubmaster, presented the awards. Robert Ace and Allyen Bryfogle received webelos badges; Eric Major, bear badge; Gary Snyder, bear badge and gold arrow point; Peter VanHorn, who celebrated his eleventh birthday that day, a lion badge; Lawrence Webb and George Kulp and Russell Cramer, who entered cub scouting that night, bobcat pins. Led by Mr. Jennings, the Pack recited their cub scout oath and laws. Mrs. Henry Kulp, den mother, read the blank verse, "Boys" from the scout magazine.

Dr. Francis B. McGarry, of the organization and extension committee, was present for part of the meeting and gave the cards for committee members of the Gap group to Henry Harris, chairman, who received them for Harold Akers, Robert Kaiser, Herman Snyder, Elam Gray, Harry Buzzard. As institutional representative, Rev. Luther Markin, was detained until later. Mr. Harris also accepted the charter for Cub Pack 28, sponsored by the Presbyterian Church. It will be framed and hung on the wall of Scout Hall.

Maximum Of Awards

With it were given four awards, Dr. McGarry said that is the highest number that may be awarded, and it is unusual for a pack to receive them all; Gold Liberty Bell for maintenance of sufficient adult helpers, Blue Liberty Bell for growth in membership, Silver Liberty Bell for program cooperative with Scouts during year, and a "Forward on Liberty Team" banner for meritorious features in the work.

Pack leaders, den mothers and helpers were called forward to receive their cards from Dr. McGarry: cubmaster Willard Jennings, assistant Oliver Nordmark den mothers Mrs. Henry Kulp and Mrs. Willard Jennings and Mrs. Walter Bryfogle, assistants Mrs. Pauline Snyder and Mrs. Evelyn Akers and Mrs. Jean Nordmark. Dr. McGarry told them that the boys provide energy, the parents cooperation; but leaders must keep the thing going.

Fourteen mothers and many smaller children were guests with Den 3 having the greater number and Mrs. Walter Bryfogle received the award for that. Each club was given a membership card. In addition to those named above there were present John Akers, John Siptroth, Ronald Jennings, James Jennings, Larry Lightner, William Walter, William Metzgar, Douglas Baker and David Chamberlain Den 2 chief. Five boys were absent. The ceremonies closed with the Living Circle and Cub Scout oath. Cookies and fruit punch were served. Walter Bryfogle and the other leaders impressed upon the cub scouts that each one may march in the Memorial Day parade in the Stroudsburgs provided he is fully uniformed and has his cub scout hat. They are to meet at Scout Hall, May 30, at 8 a.m. Transportation will be provided.

Stock Prices Rise Third Day In Row

NEW YORK, May 20 (AP)—Steels and chemicals combined their strength today to send the stock market ahead in its third straight advance.

Chemicals strengthened and brought the rest of the market up with them including the aircrafts which closed mixed. Near the finish the steels got going and monopolized buying attention for some time.

Also higher were the motors, railroads, airlines, merchandising issues, coppers, utilities, and a considerable list of individual issues.

In the mixed class with aircrafts were radio-televisions, farm implements, rubbers and oils.

Prices Up Substantially

The rise carried prices up 1 to 2 points and on out to around 4 in some instances. Losses usually were quite small.

A rise of $1.10 was scored by the Associated Press average of 60 stocks at $163.50. It was up 70 cents yesterday and $1.50 the day before.

All three components were up—industrials $1.70, railroads 70 cents and utilities 30 cents.

There were 1,183 individual issues traded today as compared with 1,168 yesterday. Gainers numbered 626 while there were 321 losers. Sixty-seven issues attained new highs for the year, and 9 touched new lows.

Volume amounted to 2,240,000 shares as against 2,380,000 yesterday.

The American Stock Exchange was mostly higher on volume of 830,000 shares. That compares with 700,000 shares traded yesterday.

Bonds were steady. U. S. government issues in the over the counter market were mostly unchanged.

Lancaster Cattle

LANCASTER, May 20 (AP)—Cattle 169, supply light, demand good, prices steady. Calves 84, receipts moderate, run consists of Southern veals, market slow for this kind. Hogs 60, receipts light, some prime hogs selling up to 20 cents, most selling around 19.25-19.50, for 180 to 220 lbs. Sheep 4, receipts moderate, market slow.

Carl A. Rake

Carl A. Rake Elevated By IBM Plant

THE APPOINTMENT of Carl A. Rake as manager of receiving, shipping and materials handling at the IBM plant in Greencastle, Ind., was announced yesterday by J. J. Phillips, general manager.

Mr. Rake began employment with International Business Machines Corporation in February, 1942, at the Endicott, N. Y. plant in the receiving department. In August, 1943, he was assigned as a clerk in the receiving department and in October, 1946, became a stockroom and receiving attendant.

He was promoted to the position of senior clerk in May, 1950. In January, 1952, he was promoted to dispatcher in the receiving department and in May, 1954, was transferred to the Greencastle plant.

Mr. Rake is the son of Mr. and Mrs. Norman Rake, of East Stroudsburg. He attended East Stroudsburg High School. Mr. Rake is a member of the IBM Two Generation Club and has completed courses in blue-print reading and IBM products in IBM schools.

Mr. Rake resides with his wife at 300 Shadowlawn, Greencastle.

The United States produced 87.2 tons of iron ore in 1954.

ranch, Cimarron, N. M., served as senior patrol leader for the junior leaders' training course conducted by the district and is presently first alternate for the Dan Beard Council for the Eighth International Scout Jamboree scheduled for this summer at Niagara-On-The-Lake, Canada.

Fifth in Troop

Dick served his troop in the capacities of den chief, scribe and senior patrol leader. His school activities include participation in the mixed chorus, band and basketball. He is an honor student.

The honored Scout is the fifth of the local troop to win the Eagle Scout ranking. The others were Dale Keen, Scot Brown, Wade Keen and Robert Lupcho.

Mountain Or Molehill?

Which will you face if a sudden mishap occurs and the possibility of a liability suit looms ahead?

Good liability insurance gives you a helping hand right from the start. Simply notify us when an accident occurs and we'll take over and follow through for you.

Why risk the chance of a costly law suit when it is so easy to put good liability insurance into effect now. Just phone Stroudsburg 2810 or see C. H. Crowe Company, Inc., at 169 Washington Street. —Adv.

no body is smoother than the body that comes out of a Sardo bath

Sardo is a new formula, just developed by a chemist, that you drop into your bathtub water so you come out silken and smooth. Because Sardo works under water, not an extra second is spent annointing yourself. Walk into your Sardo tub with chapped hands, chafed legs, rough elbows, dry skin. Walk out positively velvety. Sardo is actually a rich oil that breaks into tiny globules when it hits warm water. You can barely see them or feel them . . . but they go into action the minute you get into the tub.

Sardo is wonderful for the kids also. Use only a bottle cap-ful per tub, so Sardo costs just pennies a day. And, if you're not delighted your money will be refunded.

What names are you putting into your house?

You're looking forward to putting your name *on* your house. Better think about the brand names of the manufacturers whose products will go *into* it.

Ask questions, especially of your local dealers. And watch this newspaper for information about latest product improvements and entirely new items.

Remember, manufacturers mark their wares plainly with their names. So each strives to make his brand the best in the field, to attract and keep your business.

Brand name manufacturers know this: *you're the boss; To prosper they must please you.*
